This is the time of the year when we would normally invite clubs to enter teams for the Middlesex Tennis Summer League 2021.

Notwithstanding the current Covid-19 restrictions, it is our intension to run the league while adhering to the Government and LTA guidelines. However, as these guidelines regularly change, we have decided to delay accepting entries until 1 January. This will allow clubs more time to decide how many teams to enter rather than enter too many and then withdrawing causing an imbalance to the composition of divisions. There will be no entry fees collected in 2021 as we have carried over the fees paid in 2020.

I know that clubs like to make their fixtures very early but in these unprecedented times we ask you to please be patient. We will inform you of the new arrangements for agreeing fixture dates with your opponent's when we invite you to enter the league from 1 January.

Would you please pass on this information to the person at your venue who normally organises your entries.

Many thanks.
