If more than 2 teams are level, the round robin rule in the LTA Competition Regulations will determine the league standings.

16. Problem Solving Issues

16.1 Late Arrival If any nominated player is not ready to play within 15 minutes of a rubber due on court then the opposing team shall be awarded a walkover for this rubber (by a score of 4-0, 4-0). No substitutions or alteration to the nominations or playing order may be made. The player concerned shall be permitted to play a doubles rubber provided he/she is ready to play when the doubles rubber is due on court. If he/she is not ready when the doubles rubber is due on court the team will be deemed 'incomplete' and Rules 16.2 and 16.6 will apply. In the event that the entire away team is going to be late for extenuating circumstances (e.g. motorway closure etc) and has contacted the home team in good time, a reasonable degree of flexibility on start time should be shown by the home team.

16.2 Incomplete Teams If a venue is unable to field a complete team for the whole fixture then they shall first forfeit the lowest singles rubber and the doubles rubber. The complete team shall be deemed to have won the forfeited rubbers by a score of 4-0 4-0. When it is known before the match that one team is going to be incomplete, the lowest nominated singles player(s) of the opposing team does not have to be present for the fixture.

16.3 Player Retirement If a player retires during a rubber, the opponent shall be deemed to have won all the remaining games and sets necessary to win the rubber. The player retiring from the rubber shall be eligible to compete in any remaining rubbers.

16.4 Completion of Matches (due to inclement weather) If play is suspended after a match has started then the match shall resume at the point of suspension. If a match cannot be started due to rain or rain stops play before

any rubbers have been completed then the match may be rearranged on or before the rain date at the original venue as set by the League Organiser. At the discretion of the league organiser, the home venue of a fixture may be reversed in the case of inclement weather and/or courts being unfit for play. If a team has two matches rained off and schedules the first rained off match for the official rain date and cannot play the second rained off match prior to the rain date, then this second rained off match will be halved with both teams receiving half the rubber points and 1 match point each. Matches that are rained off on the agreed rain date will be halved with both teams receiving half the rubber points and 1 match point each. Where one or more rubbers have been completed, then the winner of the match shall be the team winning the most number of completed rubbers. 2 points shall be awarded for each completed rubber with any remaining points shared. For the purposes of final league placing calculations, the incomplete and unplayed rubbers shall be deemed shared by a score of 4-2, 2-4. Should each team have won an equal number of rubbers then each team shall receive 3 rubber points and 1 match point.

16.5 Team Withdrawal In the event of a team being unable to fulfil a fixture, on the first occurrence, their opponents shall record six rubbers and two match points. Should the offence be repeated by the same team they shall take no further part in the competition. Once a team has been withdrawn they shall take no further part in the competition. All results against this team will be declared null and void for the purposes of determining the final placing in its group. However, the League Organiser shall have the power to consider a team's position regarding a team walkover with extenuating circumstances, in which case the team receiving the walkover will win all rubbers 4-0, 4-0, and will receive 6 rubber points and a match win. League organisers may - at their discretion - allow a team to fulfil their remaining fixtures following a walkover.

However, the team will be retired at the end of the league season and as such all results will not be counted in the final league standings calculation.

16.6 Playing out of order / Ineligible Player(s) If players play out of order then the singles rubbers involving those players shall be forfeited by a score of 0-4, 0-4. If an ineligible player competes then the singles rubber involving the player concerned, and all singles rubbers lower in the team order shall be forfeited by a score of 0-4, 0-4. In addition, that team shall have 3 rubber points deducted from their match score for each ineligible player. If both teams field a player out of order or an ineligible player then each team shall be deemed to have lost the singles rubber in a similar manner. Likewise if a team fields an ineligible player as a doubles only player they shall forfeit that rubber. In the event of a match result being overturned by the League Organiser after the match has been completed which then results in a score of 3 points each then both teams will be awarded a half win (1 match point each).

For 8&U/9&U/10&U age groups any forfeited/incomplete scores (as highlighted in rules 16.1-16.6) will be subject to the appropriate scoring format for that age group.

17. Regulations 17.1 All matches in the Competition shall be conducted in accordance with the ITF Rules of Tennis, the Rules and Regulations of the LTA, the LTA Competition Regulations, the LTA Code of Conduct and the National League Competition Regulations (in the event of any inconsistency, the National League Regulations shall prevail). Each player participating in the competition grants and assigns to the LTA the right to make, use and show from time to time and at its discretion, motion pictures, still pictures and live taped or filmed television and other reproduction of him/her during the event and in connection with the promotion of the event without compensation for him/herself. Such promotional activities by the LTA shall not be identified as or represented to be an endorsement by the player of any product/company.

17.2 The day to day organisation of the Competition shall be carried out by the League Organiser under the auspices of the LTA Competitions Team (CT). The Competition is sanctioned by the LTA under the management of the CT. The CT shall have the power to decide on matters of interpretation of these regulations, to impose penalties including, but not limited to, the deduction of points and suspension for breaches of these Regulations; to suspend or modify any of these Regulations in appropriate circumstances. The CT decision on all matters is final.

17.3 Any complaint/dispute shall be made in writing on email to the League Organiser (copying in nationalleague@LTA.org.uk) by the team captain within 48

hours of the complaint/dispute arising. Nevertheless, the League Organiser/CT shall have the power to consider any matter coming to their attention subsequently.

17.4 All players are subject to the Rules and Regulations of the LTA (including, without limitation, the LTA's Anti-Doping Programme, the Disciplinary and Dispute Resolution Procedures and the Regulations Concerning Match Fixing, Financial Speculation and Betting) and fully and unconditionally submit to the jurisdiction and authority of the LTA by competing in the Competition.

17.5 Where a LTA registered venue is suspended, the LTA Competitions Team shall determine if the venue shall play any further part in the current or further stages of the Competition.
