

## A LEVEL RESULTS 2018-2020

---

We believe the environment at Stroud High helps our students to achieve and our ethos of Everything is Possible has played a central role in helping us to become one of the UK's highest performing sixth forms.

When we ask our students why they join our Sixth Form over 90% of them say it is the quality of teaching and the learning environment.

We have a fundamental belief in what our young people can achieve and over the last three years our students have achieved outstanding results at A level.
