We are currently expanding our offer in addition to our Asia brunch:

Apart from the items on our food market, we also offer a **buffet for starters**, a **soup station**, a **waffle station** and a **buffet for dessert!**

Our **buffet for starters** comprises, amongst other things, different, constantly changing salads (e.g. octopus salad, Goi Muc, prawn salad, hoisin or Asian mushroom salad) and changing warm starters such as breaded butterfly prawns.

At our **soup station** we offer a changing range of Asian soups, like the Mango's Tom Kha Gai or the lemongrass cream soup. This offer is accompanied by different items that allow you to customize your soup and will be prepared by one of our cooks for you.

Our desserts start off with a **waffle station**, where we prepare changing waffle recipes for you - varying between coconut, sesame and strained lime leaves.

This is followed by a selection of chilled **desserts**, that are equally updated from brunch to brunch: chocolate mousse, mango mascarpone and many other little treats take their turns. In addition, fruit salad will always be on offer. This is accompanied by an ice cream buffet and as well as a selection of warm desserts such as our death by chocolate.

We offer our brunch from 11.30 a.m. to 4 p.m. on **every 1st Sunday of the month** and on many holidays as well.

You can get all dates from our service staff or find them online at **[www.mongos.de!](http://www.mongos.de)**
