

SMART DIGITAL ARCHIVE

**IS YOUR
CORPORATE
MEMORY SAFE?**

**DO YOU KNOW THE
TIME YOU SPENT
SEARCHING FOR A
DOCUMENT?**

**DO YOU KNOW
THAT LACK OF A
DIGITAL ARCHIVE
COSTS A LOT MORE?**

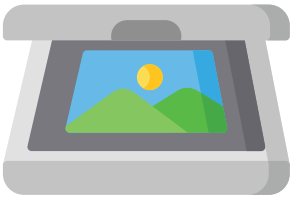

Many companies and organizations postpone digital archive due to the high costs and time.

Wherever You Are

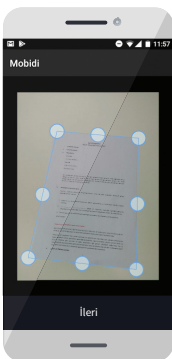

The information is just one click ahead. Invoices, contracts, reports, e-mails and more.

Search, Easily Find, and View

Word, Excel, PDF, AutoCAD, Scanned Documents, Emails, Dropbox, Google Drive and more

or

Create Your Archive Yourself

Just use a scanner or a smartphone to scan the document and forget. You will find the document when you need it.

Individual or Corporate Use

We provide solutions for yourself or for your corporation. On-premise or lease is available.

On-Premise

or

Lease

Strengthen the Team

Do not get lost in e-mails, take notes on the documents and get notified when a new document is received. Just focus on your work.

**Thanks to AI, Our solution
can create your Digital
Archive much faster and
cheaper.**

Save Before and Always

Automatic data entry and smart features save money and time compared to classic archive solutions. Start using the same day you buy.

Time

Months → Weeks

Costs

\$/Documents

While Using

Min. 2min/Document

Search

Researches show that search takes almost 40% time of an office worker.

Our Solution Saves This Time!
