

MOBILE TEAM MANAGEMENT

Many companies and organizations have mobile teams. The requirements are similar. Task assignment, task completion and reporting.

**DO YOU GET THE
REPORTS ON-TIME
AND CORRECT?**

**CAN YOU UTILIZE
MOBILE TEAMS
EFFICIENTLY?**

Cost of Investment will be Minimum

Everybody will use his/her own device(BYOD Method).

Online/Offline

Customize for Yourself

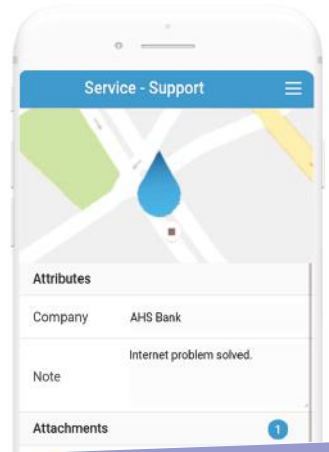

Design forms and reports by yourself.

Use or modify ready forms and reports for different sectors.

Strengthen the Team

- Send task from map
- Send messages to the team
- See the nearest team

No Reporting Task
