INTRODUCTION AND SUGGESTED MATERIALS

This “Guide” contains information for local League leaders, primarily the president, the voters’ service chair, and the treasurer. However, it does not have all the information they need to operate effectively and within League guidelines, and it is important that each has additional publications.

Every member of the Board should also have the following League references:

- The most recent “Study and Action” (LWVNJ), which contains more complete explanations of League positions on state issues than are in this “Guide”. A version of the 2009-2011 Study and Action is available online as a pdf file at: http://www.lwvnj.org/action/2009-2011_Study&Action.pdf

  You can also order a paper copy from the state office for $4.00.

- “League Basics”—available online from the LWVUS at: http://www.lwv.org/AM/CM/ContentDisplay.cfm?ContentFileID=4307&MicrositeID=0&FusePreview=Yes

The LWVUS sends each local and state League President a copy of the most recent “President’s Packet,” which contains “Impact on Issues,” a complete explanation of our national positions, and other important reference materials. The president also can benefit from the LWVNJ publication, “How to be a President,” which explains how to conduct meetings and work with committees. (See the end of this “Guide” for information on ordering publications.)

For the Voters’ Service chair and Moderators, the LWVNJ “Voters Service Manual” is essential. It includes a voter service calendar as well as information on how to do voter registrations, set and run candidate forums, and work with cable TV. For moderators it explains what to do before the meeting, how to conduct it, and how to deal with surprises. The new “Voter Registration Kit” is also very useful.

Each Treasurer must have the recently updated “Local League Treasurer’s Guide,” which contains essential information about handling League monies: 1) how to keep track of income and expenses, 2) membership responsibilities, 3) the PMP schedule and payment guidelines, 4) IRS and State of NJ reporting requirements, 5) a complete explanation of the Sales and Use Tax.

And every member should have and share these materials:

- Membership form—one your local League designed or one provided by LWVNJ or LWVUS. If you are using one from NJ or US, you can write in your local dues amount and where to send the payment.

- Information about what your League does—a summary of the last few years’ activities or copies of articles in the paper about your League.

Your local board's nonpartisanship policy should be discussed and set at the beginning of the League year. Your policies should be determined so that they can be consulted when the need arises.

The bylaws of the League state: “The League may take action on governmental measures and policies in the public interest. It shall not support or oppose any political party or any candidate.”

"To ensure the credibility of the League as a nonpartisan organization, each League’s board of directors is responsible for drafting and carrying out its own nonpartisan policy and for seeing that both members and the public understand the League’s nonpartisan role.” League Basics is available in the Tools for Leaders section of the LWVUS website, www.lwv.org.

General guidelines are as follows:

A. Local board members should not run for or hold partisan public office.

B. Key board members must not engage in any political activity or in activity in support of a candidate.

C. Based on the position of the League in the community, each local board must decide, on an individual basis, the effect on the League of:
   1. Participation of a board member in partisan social affairs.
   2. Signing petitions for specific causes.

D. In making its decision, the board must take into consideration
   1. The public prominence of the board member and the sensitivity of his/her position on the board.
   2. Possible conflict of interest in assigning board portfolios.
   3. The need for greater discretion when local elections are involved, including board of education.

Key board positions are those of president and voters service director, and in general, those officers must refrain from political activity. Each board must decide for itself what other board positions, if any, are particularly sensitive in the community.

Service to the community as well as practical political advantage for League program may be gained if a board member participates on an appointed board or commission. However, the local board should take the above guidelines into consideration when deciding the advisability of a board member’s participation on such a board.

The State Board Nonpartisan Political Policy below is offered as a sample.
Non Partisan Policy for LWVNJ Board of Directors

The Bylaws of the League of Women Voters of New Jersey state that the LWV "shall not support or oppose any political party or candidate". The purpose of the LWVNJ's nonpartisan policy is to assure the credibility and integrity of the League of Women Voters of New Jersey as an organization which does not support or oppose any candidate or political party. The ability of the LWVNJ to be an effective voice for the public interest will be achieved only if its policies and positions are seen as independent of partisan influence. Thus, those persons making such policies must also be perceived as being free of all partisan influence. Only to the extent that the public and its elected officials are convinced of the LWVNJ's genuine nonpartisanship will the League be able to render effective voter service and gain a wide base of support for its positions on governmental issues.

1. **Elected Office:** No member of the Board of Directors shall run for or hold elective office at the national, state, county or municipal level except school board, fire district or nonpartisan commission. If a board member declares for an affected elected office, the member shall resign from the board. Public notices released by LWVNJ announcing the resignation of a board member to run for political office shall be carefully worded to avoid any appearance of endorsing the member's candidacy.

2. **Political Party Office:** No LWVNJ board member shall run for, hold or be appointed to a political party office at the national, state, county, or municipal level.

3. **Endorsements and Campaigns:** The president, voter service vice president (or director) and advocacy vice president (or director) may not publicly endorse or work for any national, state, county, or municipal political campaign or candidate. Other board members, with discretion, may work for a candidate's campaign. Any board member involved in a candidate's campaign must inform the board. Although it is the intent of this policy that such activities would normally be acceptable, the final determination is at the discretion of the board.

4. **Campaign Contributions:** All board members may make campaign contributions within legal limits.

5. **Nominating Petitions:** All board members may sign a nominating petition, except those referred to in #3 - president, voter service and advocacy vice presidents or directors.

6. **Campaign Publicity and Participation:** It is never acceptable for the name of the League of Women Voters to be used in identifying a board member working in a candidate's campaign or in any manner implying support or opposition by the LWVNJ to a political party or candidate for any elected office.
7. **Appointments to boards, commissions and committees:**
LWVNJ board may encourage and assist League members to secure appointments to government boards, commissions and committees. These recommendations shall be approved by the board. Appointees serve as individuals rather than as formal representatives of the League unless the position was offered to the organization.

If the seat is for the League, the board shall appoint a new representative when the board member’s term of office or the staff member’s employment by the League has ended. The board may also appoint a League member who is not on the state board to represent the League.

State board members may serve on private sector and nonprofit boards. Conflicts between the appointee’s League position and appointed position must be brought to the attention of the League Board, which will determine the appropriate action.

8. **League programs:** LWVNJ will not invite anyone who has declared as a candidate for any office to participate in any kind of program, whether as a speaker or member of a panel, unless it is a candidate’s forum. This ban would include members of his/her staff if an incumbent.

*A good rule of thumb:* federal officials cannot be asked during even numbered years and state officials cannot be asked during odd numbered years.

9. **Moderators and Timekeepers:** A League member who runs for, or is elected to, any partisan office (including party committee) shall not be eligible to moderate any partisan forum. This prohibition shall run from the time such an office is first sought until the position is relinquished or the term ends. League members who are visibly active in a party in ways other than public office should also not, ordinarily, moderate partisan forums.

It is preferable that a member with such partisan activities or offices should not moderate even nonpartisan forums, such as nonpartisan municipal elections and board of education elections.

It is recommended, but not required, that timekeepers follow the same guidelines.

10. **Exclusion:** These policies do not apply to the family of a board member.

11. Situations not covered by this policy will be addressed as needed by the Board of Directors.

Time and Place of Next Board Meeting

**Note**: as much time as possible at a board meeting should be devoted to discussion, decision, plans, voting, and so on. Encourage members to provide reports in advance or on paper, so they can be quickly dispensed with. Board meetings that are more than a small part "reports", with no action required, quickly become dull and unproductive.

CANDIDATE CRITERIA FOR LEAGUE SPONSORED DEBATES

Local Leagues may need to limit the number of candidates invited to a debate because of television and time constraints, etc. In those situations, please be sure to adopt specific debate criteria preceding the implementation of the debate. You may wish to use these LWVNJ criteria as a guide, modifying them to apply to the LOCAL level.

Adoption of Goals and Criteria for Candidate Inclusion in League Sponsored Debates
League Debates Goals and Criteria; the Federal Election Commission
Rules and Regulations (legal requirements)

The League of Women Voters of New Jersey is a nonpartisan political organization whose primary goal is to promote informed and active participation in government.

Goals for League sponsored debates:
1. educate the public;
2. motivate voters to participate in the election; and
3. provide a venue for voters to hear the views of significant candidates.

Criteria for Candidate Inclusion:
To insure that these goals are met, the following criteria for candidate participation for League debates are considered:
1. The candidate must meet the requirements of the New Jersey Constitution and the United States Constitution.

2. The candidate must meet all legal requirements for inclusion on the ballot in accordance to state election laws.

3. The candidate must have made a public announcement of his or her candidacy.

4. The candidate must show evidence that a formal campaign is being waged, e.g., presence of headquarters (office, store-front or other publicly accessibly site other that the candidate’s personal residence), campaign telephone number, stationary and staff (campaign manager, treasurer, PR person, website, scheduled campaign appearances, calendar of events which the candidate will attend).

5. The candidate must demonstrate that there is voter interest and support for his/her candidacy. In assessing the significance of a candidacy, the League will require that either:
a) a candidate’s party received at least 5% of the popular vote in the most recent general election; or
b) by September 15th a candidate’s party has shown at least 15% support in a reputable statewide poll.

The League may consider other factors as well.

In all cases, the League will exercise its good faith judgment in deciding whether or not a candidate has demonstrated sufficient voter interest and support.

Program Suggestions for the 2010-2011 League Year

September through January:

**Kickoff meeting.** This often uses an interesting local focus. It can be a dinner or a luncheon. The kickoff is a good time to invite new or prospective members. It should ordinarily be the first membership meeting of the new League year. Looking for a topic? How about an advocacy effort by the LWVNJ? Visit [http://www.lwvnj.org/advocacy/index.shtml](http://www.lwvnj.org/advocacy/index.shtml) to learn more.

**Voters Service:** Registering voters is something members can do together, a few hours at a time. Candidates forums can make good meetings, or you can hold one on issues around the fall election, such as ballot questions or clean elections (see Kickoff). These should obviously be before the general election! The Division of Elections will list the ballot questions when they become available. There is one posted on dedicating wage assessments to employee benefits. See [http://www.njelections.org/](http://www.njelections.org/)

**LWVNJ Program Planning:** The deadline this year will be February 1, so you should plan to hold your program planning meeting in December or January. Combining it with something fun (perhaps a holiday party) helps bring members out. Materials may be available on the LWVNJ web site before they are mailed, so be sure to check there.

February through May/June

February is **Black History Month.** Why not team up with a local NAACP chapter or other African-American organization and do something on an issue of mutual interest?

March is **Women’s History Month,** so any issue of particular interest to women can be very timely.

**Your annual meeting,** in April or May. Consider having a speaker who will touch on a hot topic and bring out members and guests. See "A Script for Your Local League’s Annual Meeting” in the “especially for members” section, at [http://www.lwvnj.org/members/resources/annual_meetings.shtml](http://www.lwvnj.org/members/resources/annual_meetings.shtml)

Anytime of the Year:

**Natural resource issues:** Many topics are of great interest to members and the public. Get a speaker through the Natural Resources Committee. Obtain the “Program in a Box” from LWVNJ on “Alternative Energy.”
Immigration: Continue to explore issues raised by our recent study—in-state tuition, drivers licenses, responsibility of employers, etc. Contact the Immigration Committee for help.

Education: Obtain one of the “Programs in a Box” from LWVNJ: DVD’s on School Regionalization and the “No Child Left Behind” Act. Or you could contact the Education Committee for help. (There is no contact person for it right now....)

Campaign Finance Reform is always a good topic. Get an update on Clean Elections from our lobbyist.

Civil Liberties after 9/11. Sure to hold people’s interest. Bring in a patriotic speaker to talk about the Patriot Acts I and II!

Projects:

Study a local issue: Should your town or county change its form of government? How should your town use its remaining open space? Would it be benefit the town to share services or merge with an adjoining one? Is the incinerator being placed in a reasonable spot? You get the picture.

A Forum on Local Land Use and Zoning can bring out the whole community (Monmouth County ILO had 130 people at theirs). Eminent domain is a hot topic.

Hold “Running & Winning,” a one-day workshop for high school girls. You can get materials and good advice from Camden County, Greater Red Bank Area, Mountain Lakes, and Cape May County. Check out these websites: http://www.lwvnj.org/camdencounty/runwin.html and/or http://secure.smilebox.com/ecom/openTheBox?sendevent=4d7a6b324e6a6b304e5877304f4445794d6a51300d0a&sb=1&campaign=email_receipt_directurl_makeyourown.

LWVNJ can now assist local Leagues with this workshop, courtesy of The Fund for New Jersey: a limited amount of start-up funding (for which local Leagues must apply), a manual, and five ready-to-use issue papers Leagues can use for the campaign exercise.

Conduct “Kids Voting.” Find out more from the presidents of Berkeley Heights-New Providence-Summit, Fair Lawn, Hopewell Valley or Monroe Township, and go to http://www.kidsvotingusa.org/
Create or update a “Know your Schools” or “Know Your Town” booklet.

Do a Green Community Project: involve the whole community in “going green.” Check out Mountain Lakes’ efforts at http://greencommunityproject.blogspot.com/.

Internships have been successful in a number of local Leagues, such as Burlington County.

Produce and Distribute Voters Guides for each election. They can be printed or put online through one’s website or with help of a local paper.

Give a “Making Democracy Work” award to someone in your community, presenting it at a dinner to which you invite civic leaders and ‘friends’ of the honoree. This activity has garnered much good publicity and new members for many Leagues.

THANKS FOR ALL YOU DO FOR THE LEAGUE AND FOR YOUR COMMUNITY!
Per Member Payment Information

The Per-Member Payment (PMP) is the way Leagues support the state and national level of our three-level organization. The PMP is a major source of income for both the LWVNJ and the LWVUS, providing partial support for advocacy, membership and organizational activities. The NJ Voter, state convention, board, committees and office staff, as well as the National Voter, national convention, council, board and committee meetings all depend on the PMP. The LWVNJ board and the LWVUS Board recognize and appreciate the significant commitment Leagues make when they pay their PMP.

Calculating the PMP Obligation

Your League’s PMP obligation for the fiscal year is based on the membership count of paid-up members as reported to the LWVUS the previous January. Invoices showing these member numbers are sent by LWVUS each year. It is critical that local Leagues update their membership on the LWVUS website by January 31st each year so that an accurate count is used in determining PMP for the next fiscal year.

Local Leagues should also update the member data base whenever they get new members, members drop, or members change address or name. (Please notify the state office too.) All state and national League mailings are done using names from the LWVUS database. Thus, until new members are registered on that database, they will not receive mailings of the NJ Voter or the National Voter or any other benefit to which they are entitled by being members of the League. Doing this on a regular basis will help you keep them as members!

To update membership information online, enter the member section on the website, https://member.lwv.org/login.asp. Use the code and instructions you have been given to make the changes. For assistance, please contact Betty Taira, at btaira@lwv.org or call (202) 429-1965 x345.

PMP Rates for the 2010-2011 fiscal year:

LWVUS: $29.70 for 10-11 (but it will rise to $30 for 2011-2012). Second household member and student’s rates are currently $14.85 (half of full rate); in 2011-2012, they will rise to $15.

LWVNJ: $23.00; second household member and student’s rates are $11.50 (half of full rate)
Special Considerations in Figuring PMP Total

50-year members: Those who have been members for 50 years or more are full-voting members but are excused from the payment of dues. Therefore, no PMP is charged.

Nationally recruited or renewed members: PMP is not charged for nationally recruited members (NRMs) or for members who renew through the LWVUS. (Local Leagues are encouraged to ask NRMs to join them at renewal time.)

Members in a common household: When two or more members reside in the same household, the full PMP is charged for the first member and one half PMP for each additional member. In these cases, only one copy of the *NJ Voter* and *The National Voter* is sent to each household.

PMP Billings

The bill that Leagues receive at the beginning of the fiscal year from both LWVNJ and LWVUS reflects the amount due for the entire current fiscal year at the PMP rate voted by delegates at the LWVUS convention. This invoice takes into account the special cases listed above for which your League pays part or no PMP at all. Leagues receive balance forward statements each quarter, until the PMP obligation is paid in full. The quarterly balance forward statement indicates payments made and the total now due or credit balance, if any. If you have questions regarding your LWVNJ PMP invoice, please contact the LWVNJ state office, (609) 394-3303; for your LWVUS PMP invoice, please call (202) 429-1965 x324 (currently Lori Liffrig, lliffrig@lwv.org).

*Payment of the PMP is neither optional nor subject to local amendment. In order to retain the right to vote at state and national conventions, Leagues must have made full payment of their PMP.*

Satisfying PMP Obligations through Ed Fund Payments

Note that Leagues may satisfy up to 25% of their PMP obligation to LWVNJ by payments from their local League Education Funds to the LWVNJ Education Fund. Also, Leagues may satisfy up to 50% of their PMP obligation to LWVUS by using tax-deductible contributions made to the League of Women Voters Education Fund (LWVEF) or to your state League’s education fund.

If you wish to satisfy more than 50% of the LWVUS PMP obligation with tax-deductible contributions, write to Sarah Peterson, Coordinator, Membership/Field Support Department, speterson@lwv.org, explaining why you need to exceed the 50% limit.

Undocumented Immigrants’ Access to Instate Tuition and Related Rights:
The League of Women Voters of New Jersey supports extending instate tuition to unauthorized immigrants who graduate from NJ high schools and are admitted to NJ’s public institutions of higher education. In addition, if the state funds private higher education for New Jersey students, the League supports including unauthorized immigrants who would qualify for instate tuition at par in the funding formula for private colleges and universities.
League Editorial Style

Use of the League Name(s)

The name of the League, the League of Women Voters of New Jersey, the League of Women Voters of New Jersey Education Fund or any local or state League always is capitalized.

When used as a noun in a sentence, any version of the League name always takes the article the. Never write League will participate or LWVNJ will send.... Always write The League will participate or The LWVNJ will send....

Never refer to the LWVUS or the LWVEF as National or LWVNJ as State. This just supports we/they ways of thinking. Avoid using the term "the national office" whenever possible. It is better to use the LWVUS or the LWVEF or--occasionally--the League's national office.

Capitalization

Personal, professional and other titles are capped when used before a name (LWVNJ President Anne Maiese). Titles when used alone or after a name (Anne Maiese, president of the League) are lowercased. One exception: we always cap President when it refers to the President of the United States.

Congress (the noun) is capped; congressional (the adjective) is not; similarly: the President, presidential. The Senate and the House of Representatives are capped. Senator Smith is capped; the senator is not. Similarly: Representative Jones; the representative. (Note that Representative is the correct title for a member of the House; not Congressman or Congresswoman.) Both senators and representatives are members of Congress. The Administration is capped; the Bush administration is down.

Use caps with proper nouns (the House Rules Committee, the Ford Foundation; subsequent references are lower case (the committee, the foundation).

In general, when in doubt, leave it lower case; the trend is toward less capitalization.

Common League Acronyms

Principles and Program

Section 2 - Program. The program of the League of Women Voters of New Jersey shall consist of (a) League principles and positions (b) actions to implement those principles and positions, and (c) procedures such as studies and updates, by which new or revised positions are developed. Specifically:

a. The LWVUS principles, referenced in Section 1, form the core of the League's program at all levels. Specific positions on state issues must be approved by concurrence or consensus and reaffirmed biannually at convention.

b. Any action by the LWVNJ in support of, or opposition to, a governmental issue shall be based on one or more of the following, as they apply at the state level: the Principles and/or positions of the LWVUS and the positions adopted by the LWVNJ.

c. Procedures for studying an issue or updating existing positions are outlined below.

Section 3 - General Procedures. Changes to existing state League positions and addition of new state League positions can only take place after study or review at an appropriate level of League. There are three basic methods by which changes to program can be made:

• The convention is the normal method by which new studies, reviews and updates are authorized. The convention can also approve a new position by concurrence with a study done by another League, and it can delete an existing position or part of one. For a previously-approved program to be carried forward into the new League biennium,
convention must reaffirm it. The process by which convention makes all these decisions is described below (Section 4).

- Although convention is the normal method for making program decisions, Council can do so as well, under special circumstances (See Article XI).
- There are also provisions for the board, with local League input, to adopt a new study or update (See section 5).

**Section 4 - Procedure for program approval by convention:**
The convention shall select the governmental issues for concerted study and action using the following procedures:

a. Local League boards may make recommendations to the board of directors at least three months prior to the convention.

b. The board of directors shall consider the recommendations and formulate a proposed program which shall be submitted to the local League and ILOs at least two months prior to the convention.

c. Any recommendation for the program submitted to the board of directors at least three months prior to the convention, but not proposed by the board, may be adopted by the convention provided consideration is ordered by a majority vote and the vote on adoption comes after a specified time has elapsed to permit proponents to hold caucuses and lobby to obtain support for their proposal. To be eligible for consideration as a non-recommended item, it must be proposed and/or seconded by members of at least three different Leagues or MAL Units and at least two individuals must have committed to serving on the committee, one of whom agrees to be Chair. These individuals may be local League members, MALs, or state board members. The final vote may be on the same day as the vote for consideration.

d. A majority vote of those present and voting shall be required for adoption of subjects in the proposed program. Adoption of a non-recommended program subject requires a two-thirds vote of those present and voting.

**Section 5: Additional means of approval of studies or updates by board of directors.** The board is not authorized to change existing positions or add new ones other than as the result of one of these procedures.

a. A state committee previously approved by the board of directors, or a group of at least 3 local Leagues, makes the recommendation to the board of directors.

b. If the recommendation is from a state committee, it shall have been approved by committee members who are themselves members, though not necessarily representatives, of at least three different Local Leagues or MAL units.

c. The recommendation shall include suggestions for how the study or update will be conducted, and will include an explanation for the request coming outside the normal means of approval at convention. The board of directors may

- approve the recommendation for distribution to the local Leagues for consideration;
- approve it for distribution to Local Leagues with changes approved by the recommending committee;
• disapprove it for distribution, but approve it for consideration together with other recommendations at the next regularly scheduled Convention; or
• disapprove it with no indication of approval or disapproval for inclusion in program under consideration at either Convention or Council.

d. If approved for distribution, the program recommendation will be distributed to the local Leagues together with a timeline for voting on whether to accept the recommendation for League program and materials explaining the special recommendation.

e. The timeline will generally provide local Leagues at least one month to respond, with a follow up message half-way through the time period to encourage fuller response. The Board may provide a shorter timeline, however, in instances where there is a legislative or other reason to request a faster response.

f. Approval to conduct the study shall require a positive response by a majority of the local Leagues and approval by the state board.

Section 6 - Member Action. Members may act in the name of the League of Women Voters of New Jersey only when authorized to do so by the board of directors of the League of Women Voters of New Jersey.

Section 7 - Local League Action. Local Leagues may take action on state governmental matters only when authorized by the board of directors of the League of Women Voters of New Jersey. Local Leagues may act only in conformity with, not contrary to, the position taken by the League of Women Voters of New Jersey.

The council shall consist of the delegates chosen by the members of the local Leagues, as provided in Section 4 of this article and the members of the board of directors of the League of Women Voters of New Jersey, presidents of ILOs or their duly authorized representatives and leaders of MAL units or their duly authorized representatives.
Section 4 - Representation. In addition to the president or the president's duly authorized representative, each recognized local League shall be entitled to one delegate for each 100 voting members or major fraction (51 or more) thereof.

Section 5 - Powers. The council shall give guidance to the board on program, methods of work, and budget as submitted by the board of directors. The council is authorized to change the program only in the event of an emergency, provided that notice of proposed modifications of the program shall have been sent to the presidents of the local Leagues at least two months in advance of the meeting of the council, and provided also that a two-thirds majority of the members of the council present and voting shall be required to adopt the modifications. Limitations on action by council are similar to those for convention. The council may adopt a budget for the current fiscal year and shall transact such other business as shall be presented by the board.

Section 6 - Quorum. A quorum shall consist of not less than ten members (other than the board of directors), representing not less than ten local Leagues for the transaction of business at a council meeting.

Section 7 - Qualifications of Delegates and Voting. Each delegate shall be entitled to vote only if that League has met its per member payment responsibilities. The state board may make an exception in the case of proven hardship.

ARTICLE XII
National Convention and Council

Section 1 - National Convention. At a meeting before the date on which names of delegates must be sent to the national office, the board of directors shall elect delegates to that convention in the number allowed the League of Women Voters New Jersey under the provisions of the bylaws of the League of Women Voters of the United States.

Section 2 - National Council. At a meeting before the date on which names of delegates to the council must be sent to the national office, the board of directors shall elect delegates to that council in the number allowed the League of Women Voters of New Jersey under the provisions of the bylaws of the League of Women Voters of the United States.

ARTICLE XIII
Parliamentary Authority

Section 1 - Parliamentary Authority. The rules contained in "Roberts Rules of Order Newly Revised" shall govern the corporation in all cases to which they are applicable and in which they are not inconsistent with these bylaws.

ARTICLE XIV
Amendments

Section 1 - Amendments. Amendments to these bylaws may be proposed by any local League board, provided such proposed changes shall be submitted to the Board of Directors of the League
of Women Voters of New Jersey at least three months prior to a convention. All such proposed amendments shall be sent by the board to the presidents of all local Leagues at least two months prior to a convention together with the recommendations of the board of directors. Amendments to these bylaws may also be directly proposed by the League of Women Voters of New Jersey board of directors without having been first suggested by a local League. The presidents of all local Leagues shall notify the members of their respective Leagues of the proposed amendments. The failure of a local League president to give such notice or failure of any member to receive such notice shall not invalidate amendments to the bylaws which may be adopted by a two-thirds vote of those present and voting at any convention.

Quorum wording at both Council and Convention clarified.
Article X: Extensive changes to the definition of program, to allow the board to initiate a study, and to tighten requirements for a non-recommended item to be approved.
