## Making Democracy Work Cocktail Reception

*“Not one more. We cannot allow one more child to be shot at school. We cannot allow one more teacher to make a choice to jump in front of a firing assault rifle to save the lives of students. We cannot allow one more family to wait for a call or text that never comes. Our schools are unsafe. Our children and teachers are dying. We must make it our top priority to save these lives.” -March for Our Lives*

This year, it is our humble pleasure to honor the outstanding student leaders of March for Our Lives New Jersey with the Making Democracy Work award. These young men and women effectively organized marches around the state to call for commonsense gun laws and used this opportunity to ensure that young people were registered to vote and prepared to speak up and speak out for years to come. Their work goes beyond a single day of marching as they continue to engage their peers as citizens, activists, and leaders.

**Please help us honor these young women and men with a \$100 sponsorship in their name.** We will list your name on a celebratory page in our program. We also invite you to join us as we applaud all of our 2019 Making Democracy Work awardees at our cocktail reception Friday, May 3 at the Imperia in Somerset, NJ. More information and tickets can be found at [www.lwvnj.org](http://www.lwvnj.org).
