Hello Jack,

I hope this email finds you well. I'm simply blown away by how many handpan players from around the world have already signed up to my course: [Master the Handpan "Essentials"!](#)

What's more, the reactions from the students are super encouraging.

**Here's what a few of them are saying:**

As a complete beginner I really thrive on this course! It is easy to follow and broadens one's horizon immensely, from simple basics to complicated playing patterns. Not to mention the very likable and fun way David teaches and answers any question personally. Thank you so much!

The same day my first handpan arrived I've started my training with MasterTheHandpan. It was a great decision - you don't just earn skills, you also have a plan and guidance! I truly believe that it is ESSENTIAL for beginners! 😊

Cheers from France,

**David Charrier**

PS. I almost forgot. Every day I'm unlocking one of the videos of my course so that you can learn something cool and see if this course is for you. Today learn a great 3/4 melodic pattern in just a few minutes [with this unlocked video](#).

PPS. You should also [check out this video that explains my teaching philosophy](#). It is key to my whole course.
