Dear Parent/carer,

Photography Consent

As a Trust, we have conducted research both within the Trust, with our parents and further afield to find the best way of offering school photography.

We have made the decision, for the ease and convenience of parents, to move the whole process online. We have a specific photography portal that you can use to access & purchase your child's photo and a letter with instructions and access code will be sent to you in the next few days.

For purchasing your child's photo, we have looked at a number of options and believe the simplest and best value for money is to offer just the option of a Digital Download, priced at £6. We believe this price is reasonable and certainly our research has shown this is cheaper than a lot of other providers for the same product. This then allows you the freedom to purchase prints from anywhere which will allow you to get prints at a much cheaper cost.

If you do not have access to a device to view your proof or purchase the Digital Copy further information will be on the letter with your access code.

GDPR CONSENT

We have taken school photographs today, however, in accordance with the new data protection regulations, we need to obtain your consent to upload the images to the online portal and send you a code to access and view the photographs.

Please complete and return the slip below by Monday 26th November to allow us to send you a letter with your access code to view your child's school photograph.

Yours faithfully

Darren Foulke
Principal

Photography and Sibling Consent

| | Name of Child | | Name of Child |
|---------|---------------|---------|---------------|
| Child 1 | | Child 3 | |
| Child 2 | | Child 4 | |

I confirm that I have parental responsibility for the children named above and provide consent for an access code to be sent to me to allow me to view the school photographs of my children (both individual photographs and sibling photographs).
