

SET YOUR STUDENTS UP FOR SUCCESS

Provide hands-on experience with the latest legal accounting technology **for free** with the Devlos Academic Partners Program (DAPP).

**DEVLOS ACADEMIC
PARTNERS PROGRAM**

Devlos Software - creators of the legal accounting software, Soluno - has an exciting opportunity for law schools and not-for-profit legal clinics.

DAPP will provide Soluno at no charge to any law or paralegal program interested in teaching state-of-the-art legal technology to its instructors and students. Your graduates will enter the workplace with practical skills that are highly valued by the legal industry.

Help your students master the business of law. Work with us to create a custom curriculum that meets your unique requirements.
