Section 3 – External Auditor Report and Certificate 2018/19

In respect of

Olney Town Council BU0145

1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2019; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

2 External auditor report 2018/19

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review:

- The smaller authority has not addressed the 'except for' matters raised by the external auditor when qualifying the prior year annual return. The comparative column of the AGAR boxes 1, 7, 8 and 9 were not restated as requested. They should read £208,774, £192,828, £213,435 and £1,141,946 respectively. Because this amendment was not made to comparative figures, the incorrect figure was brought forward in Box 1 of the current year and as a result of this the figure in the current year Box 7 is also incorrect. The figures in Section 2, Boxes 1 and 7 for the current year should read £192,828 and £174,173 respectively. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR.

The smaller authority failed to approve the AGAR in time to publish it before 1 July 2019, the date required by the Accounts and Audit Regulations 2015, and did not disclose this by answering 'No' to Section 1, Box 1.

Other matters not affecting our opinion which we draw to the attention of the authority:

We note that the smaller authority did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as it failed to make proper provision during the year 2019/20 for the exercise of public rights, since the approval date was after the start of the period for the exercise of public rights. As a result, the smaller authority must answer 'No' to Assertion 4 of the Annual Governance Statement for 2019/20 and ensure that it makes proper provision for the exercise of public rights during 2020/21.

The smaller authority has not provided evidence of consideration of risk management arrangements by the whole authority during 2018/19. This was requested as part of our intermediate review procedures.

3 External auditor certificate 2018/19

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2019.
