

OLNEY TOWN COUNCIL

12th September 2021

Dear Friends and Neighbours,

Please see below a letter of appreciation to Ian sent by the Fire Service, in respect of his actions on 18th July.

I have forwarded this letter to Ian and would also wish, once again, on behalf of The Council, and indeed all of the Town, to thank Ian. His prompt and selfless actions enabled the Fire Service to more quickly gain control thereby reducing both damage and risk to the public.

It is at times like this that the community spirit and kindness of members of our wonderful town shine through. Well done Ian!

Best wishes
Philip

Dear Mr Barnes

I am writing to you in my capacity as the Chief Fire Officer to thank you for your actions and assistance at the field fire on 18th July.

It has come to my attention that your actions helped to limit the spread of the fire to two fields and without your help the incident could certainly have been larger.

On behalf of all at Buckinghamshire Fire and Rescue Service, thank you!

Yours sincerely

Jason Thelwell QFSM
Chief Fire Officer
