Road Closures and Diversions around Lavendon Village

Many residents are having concerns with access to their properties whilst the A509 is closed.

There will now be a large electronic sign at the junction of Olney Road from Olney direction. This will say 'No Route through Lavendon Follow Diversion' which will divert vehicles around the B565 and not through Lavendon Village.

MKC have advised any residents with issues/concerns to contact the main Parkway Construction 'Matthew Vicarage' 'matt@parkwaymk.com

Any other issues/concerns relating to this road closure residents are advised to please contact Highways MKC highway.adoptions@milton-keynes.gov.uk
