

OLNEY TOWN COUNCIL

Dickens of a Christmas 2021

Dear Residents,

With the current prevalence of Covid in schools and our community and the recent emergence of a new variant resulting in the government placing additional restrictions, I felt it important to revisit the Dickens of a Christmas event and to consider whether it should proceed or not.

Having reviewed government guidelines, current practice with regard to other local authorities and having consulted members of the Dickens of a Christmas Committee, I felt on balance it was not appropriate to cancel the event at this time.

We would ask you to comply with all government restrictions in place and to also wear face coverings wherever possible for the protection of yourself and others.

We intend to have additional masks and hand sanitiser stations located throughout the town. We would ask that everyone please observes enhanced hand hygiene procedures throughout the duration of this event for your own safety.

We look forward to having a successful Dickens of a Christmas 2021 event.

I am sure you will understand that a great deal of thought and due diligence went into this, and I am grateful for your support and understanding in this matter.

Kind regards,  
Sarah Kennedy  
Deputy Town Clerk
