

FAITH LEARNING

At Minnehaha Academy, our desire is that students become active participants in God's story, engaging their whole selves:
head, heart, and hands.

Throughlines help students realize who they are created to be and the work they are appointed to do, leading to a deepening sense of purpose and vocation.

IMAGE-BEARING

We recognize that every person is created in the image of God, possessing inherent honor and dignity as a unique individual, and we live that out through:

- seeking to inspire and help every student to follow God's will and design in all aspects of life.
- believing each person has been created to love God and others and to care for God's creation.
- seeking to involve students individually and corporately in meaningful activities that will allow them to develop intellectually, physically, emotionally, socially, and spiritually.

- *Genesis 1:26-27 "Then God said, 'Let us make human beings in our image, to be like us. They will reign over the fish in the sea, the birds in the sky, the livestock, all the wild animals on the earth, and the small animals that scurry along the ground.' So God created human beings in his own image. In the image of God he created them; male and female he created them.*
