EXPERIENCE

UW Reality Lab | Seattle, WA
Undergraduate AR UX Research Assistant
Oct. 2018 - Present

Collaborated with PHD developers and Dr. Aditya to do XR Design; Currently designing for a dental and a bathymetry MR projects. Prototyping with Magic Leap, Unity (Google ARCore & Apple ARKit) and After Effects. In Dec. 2018, the lab director promoted me as the design consultant.

Pioneer Square Labs - Taunt | Seattle, WA
UX Design Intern
Summer 2018

Worked closely with former Google & PopCap senior designers & developers in this startup. Pitched ideas directly to the CEO; Created & prototyped mobile UX & motion designs; Launched the App with a rating of 4.6/5 and 300+ new users in early September. I was recruited back by the CEO and team as a part-time UX designer after the internship.

YouTube Kids - Kid's Team UW | Seattle, WA
Undergraduate UX Research Assistant
Jul. 2018 - Present

Sponsored by Google, re-designed YouTube Kids from kids' perspectives to invite more inclusive joint media engagement between them; Co-designed and built 20+ rapid prototypes with professor Jason Yip and eight children aged 5-15.

Square Flag | Nanjing, China
Product Design Intern
Summer 2016

Co-designed a web-based remote teaching application for local primary schools; Interfaced well across teams; Prototyped UX and visual designs. Helped pitch to three schools and successfully received orders.
