NCEIF

NATIONAL COMMUNITY ENGAGEMENT  
FOR INFRASTRUCTURE FORUM

## PARTNERSHIP PROSPECTUS

Thursday 19 and Friday 20 August 2021  
Cloudland, 641 Ann Street, Fortitude Valley Q 4007

# Invitation

A partnership with the National Community Engagement for Infrastructure Forum (NCEIF) is ideal for organisations wanting to gain access to a rapidly growing network of enthusiastic and committed community and stakeholder engagement professionals who are becoming increasingly important to government, business and industry.

As a NCEIF partner you will have the opportunity to link directly with an interested, relevant and influential audience from public and private sector organisations and communities, both nationally and internationally.

You will experience and participate in formal and informal networking opportunities with delegates and receive widespread brand recognition through valuable target marketing, ultimately positioning your brand as an industry leader in the area of infrastructure and community and stakeholder engagement.

This is also the perfect opportunity to offer professional development for your team. This forum will help your community engagement professionals understand the drivers of future demand for infrastructure and how we, and the communities in which we work, can be ready for growth.

We understand that not every company is looking for the highest level of integration which is why we do not offer a 'one size fits all' approach. Instead, we work with our potential partners to create a package that meets their specific objectives and desired outcomes.

Don't miss this opportunity to be part of the National Community Engagement for Infrastructure Forum for 2021. If you have any questions or would like to discuss this opportunity further please contact Danielle Bolton, Forum Manager at [info@nceif.com.au](mailto:info@nceif.com.au) or 07 5429 8480.

Yours sincerely

NCEIF Committee  
Donna Groves (Comacon) & Melanie Layton (GHD)
