

inWave Corp. Privacy Policy

Effective date: February 25, 2019

inWave Corp. operates Wave, the mobile application, and <https://inwavecorp.com/login>, the Progressive Web Application.

This document informs you of our policies regarding the collection, use, and disclosure of personal data when you use our services and the choices you have associated with that data.

We use your data to provide and improve our services. By using our services, you agree to the collection and use of information in accordance with this policy. Unless otherwise defined in this Privacy Policy, terms used in this Privacy Policy have the same meanings as in our Terms and Conditions.

Information Collection And Use

We collect several different types of information for various purposes to provide and improve our services to you.

Types of Data Collected

Personal Data

While using our services, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify certain related people. Personally identifiable information may include all that is relevant to the need of the school in order to use our services to the full extent.

Usage Data

We act solely as a data processor, meaning that we do not keep any data through our database. **All data on the backend database is owned by the customer.**

Use of Data

inWave Corp. uses the collected data for various purposes:

- To provide and maintain our services to you
- To allow you to participate in interactive features of our service when you choose to do so
- To provide adequate customer care and support
- To provide analysis or valuable information to you or for us to improve our services
- To detect, prevent and address technical issues

Disclosure Of Data

Legal Requirements

inWave Corp. may disclose Personal Data in the good faith belief that such action is necessary to:

- To comply with a legal obligation
- To protect and defend the rights or property of inWave Corp.
- To prevent or investigate possible wrongdoing in connection with the Service
- To protect the personal safety of users of the Service or the public
- To protect against legal liability

Security Of Data

The security of your data is important to us, and we strive to keep it fully secure. We store all our data using Google's backend to ensure maximum security. Google explicitly states that we, and hence the customers, are the owners of the data on their backend and that they are a mere data processor, as listed in <https://firebase.google.com/support/privacy/>.

Changes To This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.

We will let you know via email and/or a prominent notice on our Service, prior to the change becoming effective and update the "effective date" at the top of this Privacy Policy.

You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
