Lead Designer & Team Manager at Young & Shand

July 2015 - Sept 2015

I managed a team of 8 senior/junior designers. This was a step up in my career at 25 years old, and a crash course in team leadership. I felt I struggled with the time/quality of my own output. Regardless of the short stint, I am proud of what I learnt and achieved in my time here. Y&S will provide an honest reference.
