

## **VINE CHARCOAL**

- Soft Vine Charcoal Sticks (*about 1/4" diameter*): get 1 pack
  - Do not bother getting the thin or really thick ones.
  - Other charcoal (*e.g. compressed*) will not work with soft pastel.
- 
- 

## **ERASERS**

- Kneadable rubber eraser
- 
- 

## **BLENDING**

- Optional: Blending stump: 1-3 sticks, in various sizes
- 
- 

## **GLOVES**

- Thin synthetic (latex) gloves to protect your skin.

NOTE: With high exposure, pastels can be harmful (*similar to paints*). During class, we will not be exposed to such a high degree that requires you to wear gloves.

However, everyone's sensitivity varies, so perhaps bring some just in case.

---

## **CLOTHING**

- Pastels can be messy, please bring suitable clothing.
