Easy 1

Bansko – Chalin valog – Eco path – Bansko

Duration: 2h 30min

Ascent: 460m

Starting point: 100 Gondola station (behind Kempinski), Bansko.

101-104 Walk up the ski road.

105 At the 2nd wide bridge turn left and take the asphalt road up and right 106.
108 take right.

110 From the Secret hotel and before the sign “Picnic” take left.
Walk straight crossing a ski run.
115 Take right.

116 - 117 Again, take right.

118 On the left side of the asphalt road find the path through the trees – it goes along the asphalt road.
119 When you reach the wider path, take left and just follow it.

121 - 122 It will take you to the “Eco path” – concrete alleys in the wood with places for rest alongside. Walk down (each one takes you to the same point near the main road).
123 - 127 Follow the path – it takes you to the main road, but once you step on it, take the right and walk a few meters then take the narrow path on your right. In a few minutes, you’ll reach again the main road.
Walk down to the Visitor’s Info Center, which is on your left.

Walk in front and behind the buildings.

If it’s later in the summer you can cross the stream or take left and in about 30 m on the right you’ll find a small wooden bridge.
You’re back on the ski road – take right to get to the starting point (the gondola station).
