Location Amenities

near beach near French border, near city, harbor access, shopping

This Villa offers splendid views in the day and at night. Features include built American kitchen, overlooking the large living areas, indoor and outdoor sides; which are complemented with top of the line furnitures. This home also has a power full back-generator and cisterns. The kitchen is spacious and will inspire a family to gather around the large island table for meals.

The villa enjoys total privacy while enjoying views. With charming elements throughout that makes it an ideal home to live in full time.

One of these elements include large outdoor deck with a pool and both colored and open terraces.

This villa is sold fully furnished.
