

Villa Harmony/ Infinity

Serenity of Understated Elegance

This regal Villa boast 14,000 luxurious square feet and offers 5 exquisite suites, 1 rooftop loft suite, 2 guest rooms with two twin beds, a total of 8.5 baths, and 2 pools with hot tubs as well as the Events Pavilion...

Fine finishes of marble, granite and exotic hardwoods with sea grass and banana leaf accents flourish throughout the oversized suites. The master suites showcase a large air-conditioned walk-in dressing room, infinity-edged bathtubs, and a bathroom lounge area with daybed.

All bedrooms are air-conditioned with ceiling fans, screened doors and most have plasma TV's and DVD players. Enjoy modern comforts such as convenient office niche with private fax line, outdoor shower, a compact gym, iPod dock, sprawling media-entertainment room with a 60' plasma TV, WiFi, wet bar, poker table, card and board games and magnificent Bose stereo sound- both indoors and poolside. Enjoy indoor or alfresco dining and the dazzling ocean views to nearby St. Martin from one of several travertine decks or terraces. The new Game Lounge and Viewing Deck atop the main house/reception building provides hours of fun and relaxation with games.

Enjoy exclusive use of road licensed golf cart.
