

**LOCAL GAME DESIGNER OPENS NEW INDEPENDENT SOFTWARE HOUSE:  
LOTUS VISION STUDIOS**

Established December 20<sup>th</sup>, 2016, video game designer Akua McEachron opens up a new independent video game development studio, LOTUS VISION STUDIOS with the intention to push the bar for the interactive entertainment medium and craft quality gaming experiences for those (THE PLAYERS) to enjoy.

Currently, we are hard at work developing our first work a tech noir genre video game under the code name: **VP**.

Stay tuned for future announcements.
