

Kingdom Bank

Non Personal Mandate Form

Introduction

Please complete the attached Mandate Form when opening a new Non-Personal Savings, Bond or Mortgage account or when changing the authorised signatories on an account. Please ensure the number of signatories required is in accordance with your Trust Deed, Memorandum & Articles of Association, Partnership Deed or Constitution etc. If required please continue on a second sheet.

For existing accounts

A new "Non-personal Mandate Form" detailing the complete up to date list of authorised signatories must be completed each time a change is made. This mandate will then replace all previous mandates and be applied to ALL accounts, both savings and mortgages, in the name of the organisation unless we exceptionally agree any other arrangements.

These changes will need to be confirmed in accordance with the previous mandate. The minimum number of signatories required from the previous mandate must therefore authorise these changes in the box provided. Please contact us if these signatures are not available. New signatories must NOT sign in this box.

Verification of Identity

It is necessary for us to verify the personal identity of all signatories using the information you supply on the mandate form. By signing the form, each signatory hereby consents to Kingdom Bank undertaking such enquiries as are considered necessary in order to fulfil its obligations under the Money Laundering Regulations 2007 and the Terrorism Acts, prior to accepting the client or applicant as a customer. Kingdom Bank consequently may decline to accept an applicant as a customer without the need to state reasons for its decision. This also applies to adding new signatories to an account.

We will normally obtain the evidence needed from various data sources, including Credit Reference and Fraud Prevention Agencies as well as the Electoral Roll. The agencies will record the details of the search whether or not your application proceeds. If we are unable to confirm identity from these sources we will write to you asking you to supply us with adequate proof of identity. The only exception to this may be if the signatory has an existing account with us.

Further, it is mutually agreed that Kingdom Bank may refuse to carry out transactions immediately where it is not satisfied as to the legality of the proposed transaction(s).
