Cash ISA Accounts

Kingdom bank currently operate four Cash ISA accounts (the details of which are below). Cash ISAs are a cash individual savings account ("Cash ISA") managed in accordance with the Individual Savings Accounts Regulations 1998 ("ISA Regulations"). These Specific Conditions apply in addition to the General Terms and Conditions for Savings Accounts. Defined terms in these Specific Conditions have the meaning given to them in the General Terms and Conditions unless stated otherwise or such a meaning would be inconsistent with these Specific Conditions.

Individual Savings Accounts ('ISAs') allow UK tax residents aged 16 or over to receive interest on their savings free of tax. You must tell us if you are no longer a UK resident (your agreement to do so is set out in detail in the application form). You can make no further subscriptions after you have ceased to qualify. If you are unsure as to whether you are eligible for an ISA, you should consult Her Majesty's Revenue and Customs ("HMRC").

You can subscribe to only one Cash ISA in a tax year. If you do not make a subscription in a tax year you must re-activate your Cash ISA in order to subscribe in any subsequent year. Cash ISA Accounts are only available to individuals. You may not subscribe more than the annual limit allowed under the ISA Regulations for any tax year (details are on our website).

Cash ISA Accounts will be, and must remain, your property and you must own the cash deposited in a Cash ISA (you cannot deposit money belonging to anyone else or held on behalf of anyone else). You must not allow the Cash ISA Account to be used as security for a loan or transfer any rights in the cash or the Account to any other person.

No charges or penalties (except those referred to below relating to where we permit early withdrawal in our discretion and any charges on transfer before maturity or notice period served) apply to these accounts and they can only be opened in single names. Joint Account holders are not permitted. No Cash ISA can be opened until a correctly completed, signed and dated application form is received together with our other standard Account opening forms and our performing all preliminary identification and other checks to our satisfaction.

We are satisfied that anyone to whom we delegate any functions or responsibilities is competent to carry out those functions and responsibilities. We will notify you if, by reason of any failure to satisfy the provisions of the ISA regulations, we become aware that your ISA is or will become no longer exempt from tax
