

G2.2 THE DOWNS SCHOOL CORE VALUES

A community that

- is underpinned by robust Christian family values
- applauds friendship, consideration and humility
- nurtures unaffected good manners and gentle grace
- values and protects childhood
- promotes spirit, fun and happiness
- exercises charity
- actively promotes fundamental British values

A business that

- highly and demonstrably values its employees
- is constantly reflective and in being so is progressive
- provides exceptional customer care
- constantly strives to provide the outstanding
- embraces a green philosophy

A school that

- optimises its independence
- embraces the best of traditional and contemporary education and in being so is innovative
- demands physical, creative and intellectual excellence
- appreciates individuality
- challenges but nurtures; an ethos of care

This policy was adopted on	Signed on behalf of the School
