

*Enjoy the life  
you have made*  
Aged Care *Your Way*

Home and Garden Maintenance  
Transport • Domestic Assistance • Outings  
Social Centre Activities • Meals  
Shopping • Visitor • Personal Support

## We believe that living well in your home means you can enjoy the life you have made.

People Who Care's dedicated, friendly team are here to help you stay well in your own home and get out-and-about in your community.

If you have a **government-funded My Aged Care Plan**, or even if you are not eligible for government-funding and would like to pay privately, we can offer you the following services across the Perth metropolitan area:

- **Home and Garden Maintenance** so you feel safe in your home and garden.
- **Transport** to get to those essential medical appointments or visit friends and family.
- **Domestic Assistance** to assist with your house cleaning and washing.
- **Social Outings** are weekly and varied and created with your involvement; from visiting cultural centres, seeing the wild flowers or taking an Op Shops adventure – always with great food and beverages. Keep an eye out for our **Monthly Outings Calendar**.
- **Social Centre Activities and generous Meals** provide a warm, friendly place to make friends and perhaps play Bingo, pick up some arts and crafts or join in a celebration, such as your birthday!
  - Our main Social Centres are in Mandurah and Guildford.
- **Shopping Support** to help you get to the shops for your groceries and making those special purchases.
- **Just a Friendly Visit** - If you are in your own home or in residential care, we have a lovely team of volunteers who would love to visit with you regularly for a chat and a cuppa!
- **Personal Support** such as doctor and hospital visits, shopping and pharmacy.

Get in touch with our friendly team today and let's work out a package of support together.
