

Enjoy the life you have made and...

Get out-and-about ***Aged Care Your Way***

We believe that living well in your home and getting out-and-about with others means you can enjoy the life you have made.

Pick and Choose

Our dedicated team creates, with client's participation, a monthly Calendar full of fabulous Outings and Activities each week for you to pick and choose from – some in the community and others at one of our Social Centres.

We will always arrange for you to be picked up and dropped back at your home. Importantly – all outings and activities involve great, healthy food and beverages! Monthly calendars can include outings and activities such as:

- Scenic Drive
 - In-Centre Bingo Bonanza
 - Market and Festival Exploration
 - Historical Town Visit
 - Mystery Tour
 - Iconic Hotel and Tavern Lunch
 - Op Shops Adventure
 - Secret Brunch
 - Art, Craft and Knitting Gathering
 - Picturesque Picnic
 - Casino Flutter
 - Indoor Swimming
 - Shopping Centre Spree
- ... you help us create the opportunities!

GOOD NEWS

If you have a **government-funded My Aged Care Plan** these Outings and Activities, including the transport to and from the event, are mainly covered by the government. There is just a small contribution you will make.
