

PARALLAX[®]

Thank you for your interest in Parallax gym. We are excited to share the details of our upcoming opening.

To date, we have had over 1,000 emails expressing interest in our gym. This has been humbling to say the least. We will be offering scheduled facility tours starting the beginning of April.

We are planning on a soft opening in April. We will open a few of the morning classes, then over the course of the month add more class times. This will allow us to adjust quickly where necessary, and assure that all systems are running smoothly for our members. Your experience is our priority!

During the soft opening, we will allow the "friends and family" on our email list the ability to pre-enroll in classes. This will give us a gauge on class size offered for each time. To start, we will open 24 spots per class. This will allow us to help our new members get acquainted with the equipment and structure of the classes.

There will be an email communication coming out later this month with information on member pricing and membership packages.

Thank you again for your interest. We look forward to meeting you.
