

The background of the entire page is decorated with several purple, spherical virus particles of varying sizes. These particles have a textured surface composed of smaller, rounded protrusions, giving them a 3D, crystalline appearance. They are scattered across the white background, with some appearing in the corners and others more centrally.

# HPV: A VIRUS WE ALL CAN BEAT

#AskAboutHPV

HPV is a virus that  
can cause cancer. Protect  
yourself and your loved ones.
