

The background of the entire page is decorated with several purple, spherical virus particles of varying sizes. These particles have a textured surface composed of smaller, rounded protrusions, resembling a cluster of grapes or a complex molecular structure. They are scattered across the white background, with some appearing larger and more prominent than others.

**VPH: UN VIRUS QUE
— TODOS —**

PODEMOS COMBATIR

#AskAboutHPV

**El VPH es un virus que
causa cáncer. Protégete a
ti y a tus seres queridos.**
