

Due to the circumstances surrounding the Covid-19 pandemic, and the extensive precautions necessary to ensure the health and safety of fair-goers, volunteers, and exhibitors, the Dallas County Fair Association has made the difficult decision to postpone the 2020 Dallas County Fair until next year. This includes the rodeo scheduled for June 19-20 and all grounds and grandstand entertainment events scheduled for July 8-12.

In consultation with the Dallas County Health Department, the State of Iowa, and other stakeholders, it was determined social distancing guidelines and requirements for mass gatherings prohibit an adequate fair experience for the thousands of fair-goers that fill our barns, arenas, and grandstands.

Dallas County 4-H members should look for information from leadership regarding alternate exhibiting possibilities and other ways our youth may still be able to showcase their accomplishments.

The Dallas County Fair Board sincerely thanks the community, sponsors, supporters, volunteers, and the hardworking exhibitors for patience and understanding as we navigate these uncharted waters together.

Please join us in looking forward to the 2021 Dallas County Fair July 7-11, 2021.
