

“Find A Funder”

Exercise

Using the web sites, directories, and newspapers provided, research one potential funding source for your organization. Answer the questions below:

1. Name and address of potential funding source.
2. Why is the funding source a good match with your organization?
3. What is the range of funding and what amount might your organization request?
4. Is there an application process? If so, what is it and what do you need to do next?
5. What will your organization do to nurture this potential funding source?
6. Who gets the proposal and how do they wish to be contacted?
7. What information and attachments does the funding source want your organization to provide?
