Part 2 Directions

Think about the different examples of online tracking you learned about in Part 1. Choose two examples and use them to complete the table below.

	Example 1	Example 2
Information being tracked (age, gender, clothing tastes, social media posts, etc.)		
Who is tracking it (social media app, online store, streaming service, etc.)		
Are You for or Against This Type of Tracking?		
Why?		

PRIVACY & SECURITY

We care about everyone's privacy.
