ESTIMATED CUSTOMERS

New, low-cost deposits

Access a growing source of deposit dollars with little to no expenses required.

Non-interest fee revenue

Impact your bottom line with the fee revenue generated by your cannabis banking program.

Increased liquidity

Positively affect your liquidity position to support other strategies throughout your organization.

Long-term commercial relationships

Expand into a new market with significant cross-sell and upsell opportunities as your program evolves.

Community and security benefits

Provide additional safety and security to your community by keeping cash off the streets.
