I - INTRODUCTION

DHA hereby invites qualified, experienced, and reputable firms to submit quotes for **Inspection Dispatch and Communication with owner/client** as described in the scope of services that follows.

The Housing Authority intends to enter into a two year contract with an option for three one-year extensions.

PROFILE OF THE DALLAS HOUSING AUTHORITY

The DHA is governed by the Housing Authorities Law, codified in the Texas Local Government Code. It is a unit of government and its functions are essential governmental functions. It operates and manages its housing developments to provide decent, safe, sanitary and affordable housing to low income families, the elderly, and the disabled, and implements various programs designed and funded by the U.S. Department of Housing and Urban Development (HUD). The DHA is a Public Housing Agency.

The property of the DHA is used for essential public and governmental purposes. The DHA and its property are exempt from all taxes, including sales tax on all its purchases of supplies and services.

The DHA enters into and executes contracts and other instruments that are necessary and convenient to the exercise of its powers.

The DHA maintains contractual arrangements with HUD to manage and operate its Low Rent Public Housing program and administers the Section 8 Housing Assistance Payments programs. The DHA programs are federally funded. The DHA revenue is received from federal funds, administrative fees, development grants and rental income.

DHA's Board of Commissioners are appointed by the Mayor of the City of Dallas, and are responsible for setting the policies of the agency and hire and supervise the President & Chief Executive Officer for the agency, who in turn is responsible to set the procedures to manage and monitor the agency's daily operations.

III - SCOPE OF SERVICES

The requirement for the software for Housing Quality Inspections is two-fold:

1. Provide optimized routing and instructions for the inspector based on assigned inspections for the day.
 - a. Allow the inspectors to mark completion of inspection on the planned route to allow AI system to provide necessary feedback to the owner / client when the inspection is completed (e.g. directing the owner to landlord portal for inspection results)
 - b. Allow the AI system to inform owner / client about upcoming inspection and tentative time of arrival.
2. Engage in communication with the owner and client regarding
 - a. Scheduled Inspection – Provide a text / e-mail / voice notification once the inspection is scheduled typically 30 days ahead of the due date for annual and 3-5 days for initial inspection; 24 hours for health and safety inspections and 21 days for regular re-inspections for failed inspections); directing the owners to review the landlord portal for additional details.
 - b. Reminder 7 days before the inspection
 - c. Reminder the day before the inspection
 - d. Provide estimated time of arrival the day of the inspection once the inspector starts the route and completes the inspections scheduled prior.
 - e. Allow owner / client to let the inspector know of any issue or problem related to their availability for the inspection and request another date and/or time via text.
3. DHA also needs to be able to see where the inspection staff is to schedule any emergency or initial inspection that needs to be assigned as the need arises and amend the route as necessary with necessary communication going to the owner/client regarding new schedule.

It is anticipated that the data in the Yardi Voyager system will be necessary to undertake this application. The system will also need to provide following information in report format:

1. List of scheduled inspections completed with time and date information
2. List of inspection reschedule requests with reasons
3. Detail of messages between the inspector and the owner/client with capacity to upload the same to Yardi Voyager memo section.

One way communication from Yardi Voyager to AI system can be achieved by data download from Yardi several times a day, but for the capacity to upload the memos will require the software company to become approved interface partner with Yardi by an application process to Yardi. Link for the process is found at <https://www.yardi.com/services/interfaces/>

- (b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.
- (c) Offers for services other than those specified will not be considered.

2. Submission of Offers

 - (1) addressed to the office specified in the solicitation, and

3. Amendments to Solicitations

- (a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.
- (b) Offerors shall acknowledge receipt of any amendments to this solicitation by
 - (1) signing and returning the amendment;

- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) Letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HAJHUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and

(5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HAMUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

(1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);

(2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it IS determined by the HAI HUD that the late receipt was due solely to mishandling by the HAIHUD after receipt at the HA;

(3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals.

The term ‘working days’ excludes weekends and U.S. Federal holidays; or

(4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA’s request for “best and final” offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA’s request for ‘best and final’ offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. ‘Postmark’ means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bulls-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

Instructions to Offerors Non-Construction
US. Department of Housing and Urban Development Office of Public and Indian Housing - 03291-

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the Express Mail Next Day Service Post Office to Addressee label and the postmark on both the envelope or wrapper and on the original receipt from the US. Postal Service. "Postmark" has the same meaning as defined in paragraph (C) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bulls-eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by an offeror or its authorized representative if the entity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an Invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

(1) reject any or all offers if such action is in the HA's interest,

(2) accept other than the lowest offer,

(3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(a) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are:

date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

2. Changes

(a) The HA may at any time, by written order, and without notice to the sureties, if any, make changes within the general scope of this contract in the services to be performed or supplies to be delivered.

(b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.

(c) The Contractor must assert its right to an equitable adjustment under this clause within 30 days from the date of receipt of the written order. However, if the HA decides that the facts justify it, the HA may receive and act upon a

proposal submitted before final payment of the contract.

(d) Failure to agree to any adjustment shall be a dispute under clause Disputes, herein. However, nothing in this clause shall excuse the Contractor from proceeding with the contract as changed.

(e) No services for which an additional cost or fee will be charged by the Contractor shall be furnished without the prior written consent of the HA.

3. Termination for Convenience and Default

(a) The HA may terminate this contract in whole, or from time to time in part, for the HA's convenience or the failure of the Contractor to fulfill the contract obligations (default). The HA shall terminate by delivering to the Contractor a written Notice of Termination specifying the nature, extent, and effective date of the termination. Upon receipt of the notice, the Contractor shall: (i) immediately discontinue all services affected (unless the notice directs otherwise); and (ii) deliver to the HA all information, reports, papers, and other materials accumulated or generated in performing this contract, whether completed or in process.

(b) If the termination is for the convenience of the HA, the HA shall be liable only for payment for services rendered before the effective date of the termination.

(c) If the termination is due to the failure of the Contractor to fulfill its obligations under the contract (default), the HA may (i) require the Contractor to deliver to it, in the manner and to the extent directed by the HA, any work as described in subparagraph (a)(ii) above, and compensation be determined in accordance with the Changes clause, paragraph 2, above; (ii) take over the work and prosecute the same to completion by contract or otherwise, and the Contractor shall be liable for any additional cost incurred by the HA; (iii) withhold any payments to the Contractor, for the purpose of off-set or partial payment, as the case may be, of amounts owed to the HA by the Contractor.

(d) If, after termination for failure to fulfill contract obligations (default), it is determined that the Contractor had not failed, the termination shall be deemed to have been effected for the convenience of the HA, and the Contractor shall be titled to payment as described in paragraph (b) above.

(e) Any disputes with regard to this clause are expressly made subject to the terms of clause titled Disputes herein.

4. Examination and Retention of Contractor's Records

(a) The HA, HUD, or Comptroller General of the United States, or any of their duly authorized representatives shall, until 3 years after final payment under this contract, have access to and the right to examine any of the Contractor's directly pertinent books, documents, papers, or other records involving transactions related to this contract for the purpose of making audit, examination, excerpts, and transcriptions. (b) All claims by the Contractor shall be made in writing and submitted to the HA. A claim by the HA against the Contractor shall be subject to a written decision by the HA.

(c) The HA shall, with reasonable promptness, but in no event in no more than 60 days, render a decision concerning any claim hereunder. Unless the Contractor, within 30 days after receipt of the HA's decision, shall notify the HA in writing that it takes exception to such decision, the decision shall be final and conclusive.

(d) Provided the Contractor has (i) given the notice within the time stated in paragraph (c) above, and (ii) excepted its claim relating to such decision from the final release, and (iii) brought suit against the HA not later than one year after receipt of final payment, or if final payment has not been made, not later than one year after the Contractor has had a reasonable time to respond to a written request by the HA that it submit a final voucher and release, whichever is earlier, then the HA's decision shall not be final or conclusive, but the dispute shall be determined on the merits by a court of competent jurisdiction.

(e) The Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the HA.

8. Contract Termination; Debarment

A breach of these Contract clauses may be grounds for termination of the Contract and for debarment or denial of participation in HUD programs as a Contractor and a subcontractor as provided in 24 CFR Part 24.

9. Assignment of Contract

The Contractor shall not assign or transfer any interest in this contract; except that claims for monies due or to become due from the HA under the contract may be assigned to a bank, trust company, or other financial institution. If the Contractor is a partnership, this contract shall inure to the benefit of the surviving or remaining member(s) of such partnership approved by the HA.

10. Certificate and Release

Prior to final payment under this contract, or prior to settlement upon termination of this contract, and as a condition precedent thereto, the Contractor shall execute and deliver to the HA a certificate and release, in a form acceptable to the HA, of all claims against the HA by the Contractor under and by virtue of this contract, other than such claims, if any, as may be specifically excepted by the Contractor in stated amounts set forth therein.

11. Organizational Conflicts of Interest

(a) The Contractor warrants that to the best of its knowledge and belief and except as otherwise disclosed, it does not have any organizational conflict of interest which is defined as a situation in which the nature of work under this contract and a contractor's organizational, financial, contractual or other interests are such that:

(i) Award of the contract may result in an unfair competitive advantage; or

(ii) The Contractor's objectivity in performing the contract work may be impaired.

(b) The Contractor agrees that if after award it discovers an organizational conflict of interest with respect to this contract or any task/delivery order under the contract, he or she shall make an immediate and full disclosure in writing to the Contracting Officer which shall include a description of the action which the Contractor has taken or intends to take to eliminate or neutralize the conflict. The HA may, however, terminate the contract or task/delivery order for the convenience of the HA if it would be in the best interest of the HA.

(c) In the event the Contractor was aware of an organizational conflict of interest before the award of this contract and intentionally did not disclose the conflict to the Contracting Officer, the HA may terminate the contract for default.

(d) The terms of this clause shall be included in all subcontracts and consulting agreements wherein the work to be performed is similar to the service provided by the prime Contractor. The Contractor shall include in such subcontracts and consulting agreements any necessary provisions to eliminate or neutralize conflicts of interest.

12. Inspection and Acceptance

(a) The HA has the right to review, require correction, if necessary, and accept the work products produced by the Contractor. Such review(s) shall be carried out within 30 days so as to not impede the work of the Contractor. Any product of work shall be deemed accepted as submitted if the HA does not issue written comments and/or required corrections within 30 days from the date of receipt of such product from the Contractor.

(b) The Contractor shall make any required corrections promptly at no additional charge and return a revised copy of the product to the HA within 7 days of notification or a later date if extended by the HA.

(c) Failure by the Contractor to proceed with reasonable promptness to make necessary corrections shall be a default. If the Contractor's submission of corrected work remains unacceptable, the HA may terminate this contract (or the task order involved) or reduce the contract price or cost to reflect the reduced value of services received.

13. Interest of Members of Congress

No member of or delegate to the Congress of the United States of America or Resident Commissioner shall be admitted to any share or part of this contract or to any benefit to arise there from, but this provision shall not be construed to extend to this contract if made with a corporation for its general benefit.

14. Interest of Members, Officers, or Employees and Former Members, Officers, or Employees

No member, officer, or employee of the HA, no member of the governing body of the locality in which the project is situated, no member of the governing body in which the HA was activated, and no other public official of such locality or localities who exercises any functions or responsibilities with respect to the project, shall, during his or her tenure, or for one year thereafter, have any interest, direct or indirect, in this contract or the proceeds thereof.

(ii) The prohibition does not apply as follows:

(1) Agency and legislative liaison by Own Employees.

(a) The prohibition on the use of appropriated funds, in paragraph (i) of this section, does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement, if the payment is for agency and legislative activities not directly related to a covered Federal action.

(b) For purposes of paragraph (b)(i)(1)(a) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.

(c) The following agency and legislative liaison activities are permitted at any time only where they are not related to a specific solicitation for any covered Federal action:

(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and,

(2) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public Law 95-507 and other subsequent amendments.

(e) Only those activities expressly authorized by subdivision (b)(ii)(1)(a) of this clause are permitted under this clause.

(2) Professional and technical services.

(a) The prohibition on the use of appropriated funds, in subparagraph (b)(i) of this clause, does not apply in the case of-

(i) A payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action, if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action.

(ii) Any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action. Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of FAR Part 31 or the relevant OMB Circulars.

During the performance of this contract, the Contractor agrees as follows:

(a) The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin.

(h) In the event of a determination that the Contractor is not in compliance with this clause or any rule, regulation, or order of the Secretary of Labor, this contract may be canceled, terminated, or suspended in whole or in part, and the Contractor may be declared ineligible for further Government contracts, or federally assisted construction contracts under the procedures authorized in Executive Order 11246, as amended. (i) The Contractor shall include the terms and conditions of this clause in every subcontract or purchase order unless exempted by the rules, regulations, or orders of the Secretary of Labor issued under Executive Order 11246, as amended, so that these terms and conditions will be binding upon each subcontractor or vendor. The Contractor shall take such action with respect to any subcontractor or purchase order as the Secretary of Housing and Urban Development or the Secretary of Labor may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided that if the Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the Contractor may request the United States to enter into the litigation to protect the interests of the United States.

17. Dissemination or Disclosure of Information

No information or material shall be disseminated or disclosed to the general public, the news media, or any person or organization without prior express written approval by the HA.

19. Other Contractors

HA may undertake or award other contracts for additional work at or near the site(s) of the work under this contract. The contractor shall fully cooperate with the other contractors and with HA and HUD employees and shall carefully adapt scheduling and performing the work under this contract to accommodate the additional work, heeding any direction that may be provided by the Contracting Officer. The contractor shall not commit

or permit any act that will interfere with the performance of work by any other contractor or HA employee.

20. Liens

The Contractor is prohibited from placing a lien on HA's property. This prohibition shall apply to all subcontractors.

21. Training and Employment Opportunities for Residents in the Project Area (Section 3, HUD Act of 1968; 24 CFR 135)

(a) The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

(b) The parties to this contract agree to comply with HUD's regulations in 24 CFR Part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.

(c) The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

(d) The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.

(e) The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR Part 135.

(f) Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

22. Procurement of Recovered Materials

(a) In accordance with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, the Contractor shall procure items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition. The Contractor shall procure items designated in the EPA guidelines that contain the highest percentage of recovered materials practicable unless the Contractor determines that such items: (1) are not reasonably available in a reasonable period of time; (2) fail to meet reasonable performance standards, which shall be determined on the basis of the guidelines of the National Institute of Standards and Technology, if applicable to the item; or (3) are only available at an unreasonable price.

(b) Paragraph (a) of this clause shall apply to items purchased under this contract where: (1) the Contractor purchases in excess of \$10,000 of the item under this contract; or (2) during the preceding Federal fiscal year, the Contractor: (i) purchased any amount of the items for use under a contract that was funded with Federal appropriations and was with a Federal agency or a State agency or agency of a political subdivision of a State; and (ii) purchased a total of in excess of \$10,000 of the item both under and outside that contract.

MINORITY BUSINESS ENTERPRISE PARTICIPATION

Under guidelines established by the U. S. Department of Housing and Urban Development for implementation of Executive Order 12432, the DHA promotes the participation of Minority and Women-Owned Business Enterprises (M/WBEs) in contracts involving its housing programs. It is the goal of the DHA that twenty-five percent (25%) of the dollar value of contracts and subcontracts let in connection with its programs is awarded to M/WBEs.

The term "Minority and Women-Owned Business Enterprises" means businesses at least fifty-one percent (51%) of which are both owned and controlled in management and daily operations by minorities or women. The term "Minorities" includes Blacks, Hispanics, Asian or Pacific Islanders, American Indians and Alaska Natives.

NOTICE

The DHA (DHA) notifies all bidders that in regard to any contract entered into, Minority and Women-Owned Business Enterprises (M/WBEs) will be afforded equal opportunity to submit bids and will not be discriminated against on the grounds of race, color, sex, or national origin in consideration for an award.

Information obtained will be retained by DHA as permanent records of the prime contractor's "Good Faith Effort."

"THE SECTION 3 CLAUSE"

- A. The work to be performed under this contract is on a project assisted under a program providing direct Federal financial assistance from the Department of Housing and Urban Development and is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u. Section 3 requires that to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the area of the Section 3 covered project, and contracts for work in connection with the project be awarded to business concerns which are located in, or owned in substantial part by persons residing in the area of the section 3 covered project.
- B. The parties to this contract will comply with the provisions of said section 3 and the regulations issued pursuant thereto by the Secretary to Housing and Urban Development set forth in 24 Part CFR 135, and all applicable rules and orders of the Department issued thereunder prior to the execution of this contract. The parties to this contract certify and agree that they are under no contractual or other disability, which would prevent them from complying with this requirements.
- C. The contractor will send to each labor organization or representative of workers with which he has a collective bargaining agreement or other contract or understanding, if any, a notice advising the said labor organization or workers' representative of his commitments under this section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.
- D. The contractor will include this section 3 clause in every subcontract for work in connection with the project and will, at the direction of the applicant for or recipient of Federal Financial assistance, take appropriate action pursuant to the subcontract upon a finding that the subcontractor is in violation of regulations issued by the Secretary of Housing and Urban Development, 24 CFR part 135 and will not let any subcontract unless the subcontractor has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.
- E. Compliance with the provisions of section 3, the regulations set forth in 24 CFR Part 135, and all applicable rules and orders of the Department issued thereunder prior to the execution of the contract, shall be a condition of the Federal financial assistance provided to the project, binding upon the applicant or recipient, its contractors and subcontractors, its successors, and assigns to those sanctions specified by the grant or loan agreement or contract through which Federal assistance is provided, and to such sanctions as are specified by 24 CFR Part 135.

SECTION 3 DEFINITIONS

1. **Section 3 Business firm:**

- a. Is any business located within the Section 3 area and any business owned in substantial part, at least 51 percent, by persons residing in the Section 3 area? This includes residents of the housing development and any other residents of the Section 3 area.
- b. Must qualify as small under the Small Business Administration definition.

2. **Section 3 area:**

- a. For purpose of job training and employment, the Section 3 area is the same unit of local government or metropolitan area or nonmetropolitan county as determined by HUD in which the Housing Authority's development is located.
- b. For contracting, it is the same metropolitan or nonmetropolitan county where the Housing Authority's development is located. [For the definition of project area, please call the Program Operations Division at Fort Worth, Telephone Number (817) 885-5837].

3. **Same unit of local government** is the city/town where the Housing Authority is located if not within the Metropolitan Statistical Area (MSA).

4. **Metropolitan Area:** The office of Management defines metro areas for use in Federal statistical activities based upon the minimum population of 50,000 or a Census Bureau defined urbanized area with a total population of at least 100,000. The metro area must consist of one or more counties. Examples in Texas include (Lubbock County) and Longview-Marshall (Gregg, Harrison and Upshur Counties).

5. **Nonmetropolitan County** is defined as a county located outside of the Metropolitan Area such as Palo Pinto County, Texas.

CHAPTER 4. WHAT SECTION 3 REQUIRES OF RECIPIENTS AND CONTRACTORS

Section 3 requires that, to the greatest extent feasible, opportunities for job training and employment be given to lower income residents of the Section 3 area and contracts for work in connection with the Section 3 covered project be awarded to business concerns which are located in or owned in substantial part by persons residing in the Section 3 area. Section 3 requires that a recipient/contractor take affirmative steps to give preference to qualified Section 3 area residents and business concerns in providing training, employment and contracting in connection with Section 3 covered projects. This chapter describes the obligations of recipients and contractors, imposed as a condition of receiving financial assistance for a Section 3 covered project. The "condition" is imposed by means of a certification or contract document, which includes Section 3 obligations.

4-1. **Community Development Block Grant**

Section 3 was amended in 1974 to explicitly add Community Development Block Grants (CDBG) to Section 3's coverage of HUD programs providing direct financial assistance in aid of housing, urban planning, and various types of development. The HUD regulations governing the CDBG Program deal specifically with Section 3 at 24 CFR 507.607. That provision of the regulations points out that Section 3 itself applies to the CDBG Program and requires grantees to adopt appropriate procedures and requirements to "assure good faith efforts toward compliance with the statutory directive." Notwithstanding the applicability of the statute, this regulation further provides that the HUD Section 3 regulations, at 24 CFR Part 135, "are not applicable to" CDBG activities assisted under 24 CFR Part 570. The Part 135 regulations, while not binding on CDBG grantees, "may be referred to as guidance indicative of the Secretary's view of the statutory objectives in other contexts."

4-2. **OTHER HUD PROGRAMS**

A. Assurance of Compliance with Section 3. Every agreement for direct financial assistance must include the requirement that the applicant or recipient carry out the provisions of Section 3 and the governing regulations at 24 CFR (Section 135.20(a)). In addition, applications and recipients are required to cooperate with HUD in obtaining the compliance of their contractors and subcontractors with the regulations governing Section 3, including cooperation in distributing and collecting information (see 135.30).

B. Incorporation of Section 3 Clause. Section 135.20(b) requires that every covered party incorporate a "Section 3 clause" in all contracts for work on a Section 3 covered project (see Appendix E). Note that the General Conditions of the Contract for Construction of Public and Indian Housing Programs (Form HUD-5370) contain the Section 3 clause. A Section 3 clause includes statements to the effect that:

1. the work under the contract is covered by Section 3 and a brief description of Section 3;
2. the parties have agreed to comply with Section 3 and Part 135 and are not contractually or otherwise prevented from complying;
3. contractors will notify labor organizations of their commitments under Section 3;
4. contractors agree to include a Section 3 statement in every subcontractors and will not let contracts without obtaining assurances of compliance from subcontractors;
5. the parties agree not to subcontract with any subcontractor found in violation and unable or unwilling to comply with Part 135; and
6. the parties acknowledge compliance, which is binding upon the applicant or recipient, its successors, and assignees.

C. A good faith effort to utilize Section 3 area residents as trainees and employees. To the greatest extent feasible, opportunities for training and employment arising in connection with a Section 3 covered project are to be given to Section 3 area residents.

1. Although Section 3 does not require that a training program be established, it does require that, where there is a training program, Section 3 area residents receive preference for such training. An applicant, recipient, contractor or subcontractor is obligated, under Part 135 Subpart B, to use the maximum number of persons in training categories and to fill all vacant training positions with Section 3 area residents except for those training positions which remain unfilled after a good faith effort has been made to fill them with eligible/qualified Section 3 area residents.
2. Obligations for utilizing Section 3 area residents as employees are set forth at Part 135 Subpart C. In general, an applicant, recipient, contractor or subcontractor must:
 - a. identify the number of positions, by skill level, required to plan and implement the work to be done under the Section 3 covered project;
 - b. determine how many of these positions are currently filled and which are not filled by regular, permanent employees; and
 - c. establish a target within each occupational category for the number of positions to be filled by Section 3 area residents.

3. Examples of actions demonstrating a good faith effort include:
 - a. targeted recruitment of Section 3 area residents for training and employment positions by taking such steps as:
 - = advertising in local media,
 - = prominently placing a notice of commitments under Section 3 at the project site or other places where applications for training and employment are taken,
 - = contacting local job training centers, employment service agencies and community organizations,
 - = developing on-the-job training opportunities or participating in job training programs,
 - = contacting assisted housing resident councils and resident management corporations;
 - b. keeping a list of Section 3 area residents who apply on their by referral for available positions;
 - c. sending to labor organizations or representative of workers with whom the recipient, contractor or subcontractor has a collective bargaining agreement or other understanding, a notice about contractual commitments under Section 3; and
 - d. selection of Section 3 area residents for training and employment position.

D. A good faith effort to award contracts for work in connection with the project to Section 3 business concerns. Recipients and contractors must fulfill their obligations to utilize Section 3 business concerns by developing and implementing an affirmative action plan (see 135.70).

1. An affirmative action plan (AAP) includes:
 - a. an approximate number and dollar value of contracts to be awarded over the duration of the Section 3 covered project (this estimate should be broken down by type of business or profession);
 - b. based on an analysis of the estimated contract needs, a target number and value of contracts to be awarded to Section 3 business concerns (these targets should consider the availability of Section 3 business concerns within the categories identified in the initial estimate of contract needs); and
 - c. a program or strategy for achieving the targets established for awards to Section 3 business concerns.
2. The strategy for implementing the affirmative action plan must include, but need not be limited to, insertion of the affirmative action plan and identification of the Section 3 area in bid documents.
3. Further actions that must be taken in implementing the AAP are:
 - a. steps to secure the cooperation of contractors in meeting the goals for contract awards to Section 3 business concerns;
 - b. steps to ensure that Section 3 business concerns are notified of pending contractual opportunities, e.g. publishing future contract opportunities through local business development centers, local business and contractors' associations, local media, and assisted housing resident management corporations; and
 - c. requiring submission of an AAP as described in subparagraph 1a. above by all bidders responding to a competitive solicitation and evaluating each bid to determine whether the proposed AAP will accomplish the stated goals.

E. Recipient Records and Reports

1. Section 135.120 of the regulations implementing Section 3 requires recipients and contractors to keep records and to submit reports which would allow the Department to ascertain compliance with Section 3 regulations, Recipients and contractors must advise HUD within 15 days of contract award, of the steps taken or to be taken to comply with Section 3. There is currently no prescribed format for keeping or reporting Section 3 data. Appendix F is a sample format that may be used for keeping Section 3 related records.
2. Records and reports include actions taken and their results. Examples of records to be maintained are:
 - copies of advertisements for training and employment;
 - lists of Section 3 residents who applied or otherwise expressed an interest in training positions or employment.
 - copies of solicitations or requests for Bids;
 - documentation of pre-construction conferences;
 - records of bid evaluations and selections;
 - correspondence or other documentation related to Section 3 grievances;
 - photographic evidence of displayed signs;
 - copies of letters to community organizations;
 - copies of notifications of awards to grantees and contractors;
 - copies of business AAPs, including records of solicitation mailing lists, direct solicitation of bids or Bids; and
 - evidence of affirmative steps to include Section 3 business concerns; such as, dividing total work requirements into smaller sub-tasks, joint ventures between a large business and Section 3 business concern, and limiting competition to Section 3 business concerns pursuant to HUD regulations at 24 CFR Part 963.
3. Certain HUD reports contain data that may be used in monitoring performance under Section 3. These reports include, but may not be limited to:
 - Form HUD 40013A - the CDBG Finding Summary Sheet records findings resulting from in-house or on-site monitoring.
 - Form HUD 40013 - the CDBG Annual Performance Summary includes information gathered both in-house and on-site throughout the year. Funding recommendations and decisions regarding the grant for the next year are based on these determinations.
 - Form (WH-347) - the Contractor's Payroll Certification Form used by contractors to report employment data on construction projects (see Appendix G). Labor Relations staff collects this for Section 202 projects and certain other housing programs. This staff can assist FHEO staff in obtaining access to payroll records maintained by public housing agencies, community development block grant recipients and other recipients of direct HUD financial assistance covered by Section 3.
