

TRUCK COVID-19 PROTOCOLS

VISITOR GUIDELINES //

We encourage folks to schedule their visit to the gallery via our website.

When visitors arrive they will be asked to buzz the intercom and wait for direction from staff, as we will be sanitizing the gallery prior to folks entering.

Visitors are encouraged to self-assess their health before planning their visit to TRUCK. If you are experiencing any of the following symptoms, runny nose, coughing or sneezing, and shortness of breath; you will not be allowed into the gallery space, please consider self-isolating, as per AHS guidelines.

A minimum of 2 meters must be kept between visitors from different cohorts, as per AHS guidelines. A maximum of two cohorts or 10 visitors will be permitted in the gallery space at one time.

Visitors are required to wear a mask while in the gallery. If you do not have a mask, we will provide you with one upon entry.

Visitors must sanitize their hands upon entering. Hand sanitizer will be provided by TRUCK upon entry into the gallery.

Staff will confirm contact details from you upon entering the gallery.

Visitors are asked to refrain from touching any artworks on display in the gallery.

BOOKSHELF//

Visitors are required to wear gloves or sanitize prior to handling books on the shelf.
