Emergency Treatment

I / we agree to senior staff taking the necessary steps to ensure that our child receives the best and most appropriate care, attention and treatment should there be an emergency or accident in the environment or whilst my child is on an authorised outing. The Nursery will make effort to inform the parents of an emergency or accident as soon as possible after the event but they have permission to accompany my child to a hospital in case of a serious accident, in my absence. I give permission for staff to contact the emergency services in my absence. I also give permission for the senior staff in charge of the provision to authorise hospital staff to administer essential treatment until my arrival.
