EXPERIENCE

DocuSign, Product Design Intern

May–Aug 2019 · San Francisco, CA

Worked with other product designers and content writers to build and ship the new UI kit and email template for DocuSign CLM.

Explored design patterns for the evolving new DocuSign design system.

Worked with product managers to design the experience flow and prototypes for a new feature in DocuSign eSignature.

Intuit, Product Design Intern

May–Aug 2018 · San Diego, CA

Proposed visual and content design recommendations for QuickBooks Support. Delivered to design leads from multiple business units.

Conducted user research for Turbo Community. Identified design opportunities for self help replatforming plans for multiple Intuit products.

MilksFriends, Visual Designer

May–Sep 2016 · Chengdu, China

Branding for one of the most influential LGBT NGOs in Southwest China.

EDUCATION

California College of the Arts, Interaction Design, B.F.A.

Sep 2016 – May 2020 (Expected) · San Francisco, CA

SHOWCASES

Data U @ IDEO

May–Present · San Francisco, CA

Researched and built the AR experience for the mixed-method research project of 1000 Americans' stories and opinions on data and privacy.

The Modular City @ swissnex

March–May 2019 · San Francisco, CA

Researched and built the installation for the speculative design proposal reimagining the future of transportation. Featured in the *Future of Work* exhibit as part of SF Design Week 2019.

The Journey of Water @ CCA

Feb–April 2019 · San Francisco, CA

Researched and built the installation for the service design proposal encouraging water conservation.
