Providence, RI 02903

### DESIGN EXPERIENCE

#### USAA

##### *Product Design Intern • 2018*

Created components for the Design Language Systems team. Designed conversational user interfaces.

#### KiraKira3D

##### *Front-End Design Intern • 2017*

Designed KiraKira3D iOS app, increasing download rates by over 170% and featured on Planet of the Apps. Redesigned website and made visual marketing material.

#### Ambright Education Group

##### *Graphic Designer • 2015 – 2016*

Designed the corporate logo and identity. Worked with web developers on design of website.

### LEADERSHIP

#### Designer • 2018–2019

##### *NURO: Rothburg Catalyzer Brown University Chapter*

I designed and helping to develop the phone app that is paired with the wearable EEG device. I also gather materials from the team for documentation.

#### Tink Knit Business Director • 2017–2019

##### *Student-run 501(c)(3) non-profit*

Spearheaded RISD expansion. Created professional initiatives to provide unemployed mothers a 2nd income through selling knitted items. Rebranded organization.

#### Community Engagement Fellow • 2016–2017

##### *AS220, AS220 Youth*

Established RISD x AS220 “Real Talk: Artists in Industry” series. Redesigned AS220 Youth program curriculum. TA and Graphic Designer. Programmed over 10 events with 300+ participants.
