

WHAT WE LEARN WITH PLEASURE, WE NEVER FORGET

469.409.2826 | <https://bubold.com/>

CAPABILITY STATEMENT

Bubo Learning Design, LLC provides training development and learning solutions for government and corporate clients. We specialize in web-based training design, development and deployment strategies. All publishing and tracking systems utilize SCORM requirements for tracking purposes. We also offer maintenance agreements to oversee continued compliance. Most experience has been with the Moodle platform, but we have skills necessary to maintain other new or existing legacy systems and platforms.
