SPOTIFY PROMOTIONS & SERVICES

## WHY PROMOTE ON SPOTIFY?

In case you weren't aware, Spotify is a well-established, monetizeable streaming platform that helps push and break out artists every day. It can be difficult to expand in an already-saturated market but Artist Influence is working hard to make it possible. By pitching to both Spotify's in-house curation team as well as a wide range of independent curators, your music will certainly make an impact.
