

The Hamilton - Commercial Lift

NIAGARA BELCO

North America's Lift & Door Solution

**North America's premier manufacturer and distributor
of quality accessibility lifts and residential elevators
for over 25 years!**

Improving business accessibility.

The Hamilton is designed with durability and simplicity in mind. Supplied as a complete package, The Hamilton is easily installed and easily maintained.

Fully code compliant for all jurisdictions throughout North America, this smooth operating, energy efficient

unit is truly without equal and has been the benchmark for quality in the access lift industry for over 25 years.

With proven reliability, non-proprietary controls, the highest rated capacity available and heavy-duty welded steel construction, the Hamilton is *the* solution for any building accessibility needs.
