

WELCOME ADVISORS TO ITEAM USA

ITeam USA is an organization that promotes Computer Science and Information Technology. By partnering industry and employers with educators, we collaborate on skills-based engagements to better align the needs of industry and students with cutting edge curriculum.

Through technical training events, competitions, and professional sector interactions, our mission is focused on the whole-person development of each student.

We achieve this by:

1. Promoting physical, mental, and social health
2. Developing character, leadership, and civic initiative
3. Establishing the technical skills, work ethic, and dependability that are critical to employability.
