SPRING SCHOOL

March 25th - 29th

Join us for a week of fun buggy-themed activities!

With the arrival of spring, we witness life sprout and flourish. This spring students will explore "A Bug's Life", gaining further understanding and appreciation of bugs. These small creatures may seem pesky, but they have very important roles to play.

春の訪れとともに植物や動物などあらゆる生命が誕生します。 サンシャイン・キッズ・アカデミーのスプリング・スクールでは、子ども達は「バグズ・ラ イフ」を探求し、虫や動物に対するさらなる理解を深め、知見を広めていきます。小 さな生き物は不快に見えるかもしれませんが、とても重要な役割を持っています。
