About the Team...

You will be working for the Entertainment Team. The team provides specialist services including production, editing, motion graphics, sound engineering amongst many other areas.

About the Job...

A Shooting Producer / Editor will help to drive production within our in-house Content team for our clients. This person will be responsible for quickly turning around content for our clients and internally for the business. Sitting in the central Content team, this person will be responsible for delivering video for a number of service teams, including Brand, IP, Social and Live, and deliver content for our Entertainment, Music and Sport clients

The Shooting Producer/ Editor is responsible for:

- Shoot, produce and edit quick turnaround video content for our clients and for internal comms.
- Coordinate freelancers and external production companies to help deliver where necessary.
- Liaise with the different teams in the business including Live, Brand, Social and IP to develop content.
- Produce sizzle reels and sales collateral for our commercial team to better sell the business and our clients.

About You...

- Excellent organizational and production planning skills.
- Expert abilities on Adobe Premiere Pro and After Effects
- Strong sense of design and visual aesthetic
- Collaborative team member
- Ability to problem solve and create stories through video
- Excellent communication skills, including written English, verbal presentation and visual representation is mandatory.
- Ability to develop strong relationships with your clients and everyone internally from planners to your co-creatives, interns to management, and to clients at all levels.
- Rigorous execution of creative tasks and presentations

What we offer...
