Relevant Experience

2017-20 Neyborly

Head of Design - Oakland, CA

For over two years I led the creative team at Neyborly, a venture-backed start-up in Oakland. I grew from Designer to Head of Design and worked on everything including Digital Product Design, UX, & Brand Identity.

2015-16 Wood Street Gallery

Installation & Jr. Designer - Pittsburgh, PA

Designed and produced immersive & interactive media works. I assisted in making digital creative and branding for projects as well as ideation for physical installations.

2014-15 Deeplocal

Freelance Creative Technologist - Pittsburgh, PA

Prototyping, UX, and digital design for advertising and marketing campaigns. Produced multi-media collateral for clients like Nike, Netflix, and Google.

2014 ~ Freelance Product & Branding Design

Design - Oakland, CA

Prototyping, UX, and product design for small brands and start-ups. Trans-media designer with an expertise in branding and product design.
