Fun Services® is the originator of the Holiday Gift Shop® and Santa's Secret Shop® programs. We have been providing these programs to schools throughout the country for over 40 years.

Fun Services offers the complete package that you will be looking for in the Holiday Gift Shop business. We offer many different programs including: No inventory shops, Regular inventory shops and student run economic shops. We can help you determine which one will best suit your schools individual needs.

Your organization will receive gift items priced from 20¢ to \$12.00 at school cost. Your school can determine the profit level by using our computerized profit margins of 10%, 20%, 30% or 40%.

Unlike many other companies, Fun Services does not limit the number of days that re-orders can be made during the shop. This means if your shop runs from Monday-Saturday, your organization can place re-orders every afternoon for delivery early the next morning. All re-orders are delivered at no charge, including Saturdays.

Fun Services programs are risk free. All merchandise is on consignment; therefore, your organization will only pay for items that are sold. Fun Services delivers and picks-up all merchandise at no charge to the customer.

Fun Services also provides many other complimentary items including Mylar Gift Bags, Price Labels, Carry Home Bags, Parent Letters, Tablecloths, Door Panels, etc.

If you would like more information or have any questions, please feel free to call us at the numbers listed above.

If you would like to sign up for a Holiday Gift Shop or Santa's Secret Shop, please fill out the customer agreement on our website at www.FunServicesVA.com.

Fun Services is the Originator of the

Holiday Gift Shop® or Santa's Secret Shop®

The Santa's Secret Shop is an in-school holiday shopping program that allows the children to shop in the warm, comfortable setting of their very own school. All gifts are priced to meet a child's budget and all Gifts meet industry and government safety standards in regards to lead and phylates.

Here are the top 10.5 reasons schools are choosing to run the Holiday Gift Shop program:

1. **Service Project for the community.** Many schools hold the Holiday Gift Shop as a service project for the community. These schools run the program at very low profits in order to help out the families.
2. **No up-front costs.** You pay only after your program is over and only for gifts not returned.
3. **All items on consignment.** You return all unsold gifts. NO money is tied up in unsold merchandise.
4. **FREE dependable delivery service.** Free before your program begins, free restocking during the program and free pick-up of your unsold gifts after the program ends. *We pay all freight charges.*
5. **FREE supplies.** Everything needed to run a successful Holiday Gift Shop is included at *no charge*: parent flyers, gift planner envelopes, *self-sealing* gift bags, posters, price labels, door panel and table covers.
6. **Friendly, helpful, professional and local staff.** We are always ready to help when you need us. We want your program to be a success.
7. **Gifts priced to fit a child's budget.** With our wide price range (*Over 80% of our quality gifts are priced at \$5 and under.*) and variety, little shoppers can find gifts for everyone on their list.
8. **You choose the pricing.** You decide to make your program a service project, a profit-making fundraiser or a combination of both.
9. **Success Manual.** Instructions, complete and easy to follow. Our exclusive Success Manual is a step-by-step instruction guide to take you through the program from beginning to end.
10. **ALL Gifts meet industry and government safety standards** in regards to lead & phylates.
- 10.5 **To have FUN and enjoy sharing the "Joy of Giving".**

NO COMMISSIONED SALES PEOPLE TO DRIVE UP THE PRICES TO YOUR STUDENTS

Unlike most other gift shop companies, Fun Services does not employ any outside sales people. These sales people make as much as 25% commission on the sales to your school.

Fun Services is a family owned and operated business that strives to keep the prices as low as possible for the children of your school. None of our sales people are paid on commission; therefore, our items are generally priced lower than companies that advertise buying directly from the manufacturer.

RELIABLE RE-ORDER SERVICE

Before your sale, Fun Services® delivers more than enough merchandise to run your whole Holiday Gift Shop® program. However, during the sale, if you ever need more merchandise or supplies, just call in a **RE-ORDER**.

Fun Services does not limit the number of re-orders that may be placed once your shop has started. Our goal is to make sure that the last child to shop has as good a selection as the first child to shop.

All **re-orders phoned or faxed by 4PM** will be delivered the **NEXT DAY - INCLUDING SATURDAYS!**

REGULAR INVENTORY SHOPS

Fun Services regular inventory shops offer your school the flexibility of deciding how much to charge for each individual item. This allows for your organization to mark up some items by 10% and others by 40%, depending on your preference.

With the regular inventory shop, your final bill is based on the actual number of items sold. Fun Services provides you with a beginning inventory list that includes the prices your school will be charged for each item and the quantity received.

At the end of your shop, your organization counts the leftover merchandise and phones the totals in to our customer service representatives. Fun Services will then call you back with the total amount due. An itemized computer print-out will then be provided showing in detail how much of each item was sold, the cost of each item and the price range of items sold.

NO INVENTORY SHOPS

Fun Services no inventory shops offer the same great advantages as our regular shops. All the gifts, supplies, bags, etc. are included in this shop. The only difference (and main advantage) is that there is no beginning or ending inventory to take at the shop.

Fun Services will supply pre-made price labels that can be applied directly on the tablecloth in front of the display items. The price labels will be printed with the cost to charge the customer and will reflect the desired profit level that was chosen by your organization.

To figure out your profit and amount due to Fun Services, simply total up your daily receipts and take out the percentage of profit chosen at the beginning of your shop. All unsold items and money due to Fun Services should be available on your designated date to return to Fun Services.

RECOMMENDATION: If your organization has an adequate number of volunteers, Fun Services recommends the regular inventory method.

1. **Family Owned and Operated since 1971** - Fun Services is a family owned business operated by Ed & Dori Boak. Both understand the needs of PTO's and PTA's as both have served in volunteer roles in various organizations including PTA and Little League.

Dori Boak was on the PTA board of Nokesville Elementary for 5 years and has been serving on the Board of Coles Little League for the past 8 years. Ed Boak served as President of Coles Little League for 6 years and currently continues on the board as Vice President of the JR/SR Division for the past 2 years.

2. **Local Company** - Using a local company is a must for the Holiday Gift Shop/Santa's Secret Shop program. Why is that? Please see below:

A. **Delivery by Fun Services Truck** - All deliveries are made in Fun Services Trucks via our Professional Fleet of Drivers. Delivery dates are pre-arranged and will be delivered to any first floor location (any floor if elevators are available.)

B. **Pick-Up by Fun Services Truck** - All returned items are picked up in Fun Services Trucks via our Professional Fleet of Drivers. No more worrying about address labeling of boxes and waiting on UPS to pick-up left over gifts.

C. **Next Morning Re-Order Service (including Saturdays)** - Over 95% of Fun Services re-orders are delivered before your shop opens the next morning. Just call our offices **before 4PM each day** (*most of our competitors have a 1PM cut-off for re-orders*), and one of our Professional Drivers will deliver the items to your school door in time for the start of your shop the next morning.

Only running a Friday night and Saturday morning shop, that's no problem for Fun Services. Special arrangements can be made to provide re-order service for Saturday morning and evening shops. Saturday re-orders simply need to be phoned in by 4PM Friday evening. Evening Shop re-orders must be pre-arranged with Fun Services ahead of time to ensure staff is available to pack and deliver.

D. **More Gifts Delivered at the Beginning of Your Shop** - By delivering in Fun Services trucks (not UPS or a Freight Company), Fun Services can deliver more gifts at the beginning of the sale. Fun Services typically delivers 25%-50% more gifts than were sold the year before. Due to the high costs of shipping, our competitors can not send as many gifts as this increases the cost of shipping and returning gifts.

For example, one of our competitors recently contracted with a school in Prince George's County (MD) that we had worked with in the past. The competitor sent a total of 6 boxes of gifts while Fun Services delivered 18 boxes of gifts for their shop.

3. **Free Supplies/Promotional Items** - Fun Services supplies a variety of Free Supplies in conjunction with the shop. These include: Mylar Gift Bags in 4 sizes (one per gift), Parent Flyers, Posters, Table Cloths, etc. Please see our brochure for a full list of supplies.

4. **NO Inventory & Regular Inventory Shops** - Fun Services offers both a No Inventory Shop and Regular Inventory. The No Inventory Shop is designed for use where volunteers are limited. The Regular Inventory allows for individual pricing on all items and requires all gifts to be counted upon arrival at the school and phoned into Fun Services before pick-up.

5. **Product Liability Insurance (REQUIRED for all PTA events)** - Fun Services is fully insured for all gifts provided by Fun Services. Note: Product Liability is different than general liability insurance.
